"All denominations and most people, die in the same 'first revelation' they receive from God. The people that call themselves Lutherans today, are living in the same blessing that Luther had some four hundred years ago.

The people that call themselves Wesleyans and Methodists today, are living in the same blessing of Wesley – from a couple of hundred years ago. It's very difficult to get 'out of a groove'.

It's very difficult to get out of a (religious) system."

Dr. Lester Sumrall

*"Come out of her, My people, that ye be not partakers of her sins,
and that ye receive not of her plagues." (Revelation 18:4 KJV)*

What could Artificial Intelligence have to do with the flood of Noah's day?

In this writing I will demonstrate that the scriptures emphatically teach:

- A contingent of angels called "Holy Watchers" decided to have offspring with human woman and knowingly commit this great abomination of sin towards the Most High.
- The Sons of God, The Divine Council mentioned in the Bible are these same "Holy Watchers" (a position of angelic authority) mentioned in Enoch and Jasher and in Genesis 6 - that not only conceived children with human women, but also gave mankind knowledge, technologies and weapons, while teaching how to abort babies and how to better kill one-another. Also teaching "the mixture of animals with animals - to provoke God"
- The result of this angelic rebellion was that all flesh and the entire earth, became so profoundly corrupted that YHWH (יהוה) decided to flood the world and destroy all flesh upon the earth.
- When the progeny of the angelic/women union were killed, their disembodied spirits were cursed by the Most High to remain on the earth, hungering and thirsting, and hating everything about God's creation, especially mankind. They would be called "evil spirits upon the earth." (Enoch 15:8)
- The disembodied nephilim spirits, in league with their rebellious angelic "parents" and with evil men, have been the inspiration and cause for war and strife through-out all of history.
- These same disembodied spirits are also the same spirit(s) behind the inspirations of many of the technologies that we take for granted today – and they are the true source of the "intelligence" behind AI: They are demons. They are Legion. They are the disembodied spirits of the Nephilim. And they are rising in these last days.

*To better understand how this can be so – we must perform a systematic, deep-dive study into scripture, history and certain pervasive, 'esoteric ideals'. When we finish, there will be very few who would doubt that the **"Coming Flood of AI"** will be the scenario that fulfills key prophetic passages through-out scripture, including the Book of Daniel and Revelation, that predict and lead up to - the return of Jesus Christ, our LORD and Savior!*

*I ask that you be patient, read carefully, pray for Holy Spirit guidance and research the statements made within this writing for yourself. I will provide links to additional sources to help you search these things out. The LORD willing, **this book will help you clearly see the plans – the wiles of our enemy, the devil – so that he will not gain an advantage over you nor your family.** You will find that I repeat these ideals throughout this writing, because we seem to often grow weary and forget that we are in a great battle for our families' eternity! As you read this book, you may think to yourself that, "I'll never accept a permanent interface to AI" – but we forget that our children have never known a life without technology. The Coming Flood of AI will be 'normal' to them. We must become knowledgeable so that we can properly warn and direct them! - **Look up! For our redemption draws nigh!***

PROLOGUE

This writing contains “new wine.” It is not my intention to hurt you – “the wineskin.”

The words that you read on these pages have been in the making for over seventeen years. This is not because I’m some hugely procrastinating individual who can never get anything done – no! on the contrary... I have been writing published works and speaking publicly about an eclectic multitude of subjects for almost two decades. A visit to my website – jesusfreakcomputergeek.com - you will find these subjects:

Artificial Intelligence | Genetic Engineering | Biblical Cosmology (Flat Earth) | Solar Geoengineering | Climate/Weather Modification | Quantum (Mandela) Effect and Quantum Computing | Transhumanism | Abiotic Oil, Crypto-Currency | False-Flag events and Hegelian Dialectic – to name just a few subjects included in posts on the website. (<http://jesusfreakcomputergeek.com>)

These subjects, while possibly sounding like *a laundry-list of Conspiracy Theorist fodder* and possibly the subjects of the next UNIBOMBER Manifesto - are replete with sound, Biblical-based worldviews, and doctrinal truths. The JFCG website posts also include reference to some of the latest scientific and technological knowledge that exists in circa 2023. **I open this book with a warning** of sorts, because you cannot glean understanding from this book without putting in your own effort towards study as you read along. I’m reminded of the teaching of Jesus, when He states:

“You cannot put new wine into old wineskins, because you will lose the wine and destroy the wineskin.”
(Mark 2:22 paraphrased)

The *beginning of wisdom is the fear of the LORD*, and the only way to the Father is through a relationship with His only begotten Son – Jesus Christ of Nazareth – **the way, the truth, and the life!** It is by our faith in Jesus, that Holy Spirit comes and resides within us, leading us into all understanding. As it is written: “A spiritual man judges all things” –

“But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know them, because they are spiritually discerned.” (1st Corinthians 2:14 NKJV)

Then in verse fifteen we read:

“The spiritual person judges all things, but is himself to be judged by no one.” (1st Corinthians 2:15 ESV)

What you are reading here is the culmination of life-experience, professional experience, formal and non-formal education – that the Most High has had me live through since I was twelve years old! And although it may sound like exaggeration, there were many things, technological in nature, that I “just knew” since an even younger child. I simply always knew how things worked!

I have memories of my Dad calling me into a room with his friends – and prodding me to explain the components of their radio and how the technology functioned, when I was in 4th and 5th grade! I was a precocious, oddball of a kid, who read encyclopedias for fun. And *because I was born with Cerebral Palsy in which my entire left-side was atrophied and I limped rather profoundly, I was inclined to a more “cerebral and thoughtful lifestyle” – and veered away from the more physical challenges and sports that most young boys gravitated towards.*

My innate understanding of all things tech, led to a career in technology that included a twelve-year tenure at NASA, where I worked side-by-side with world-renowned astrophysicists, engineers and technologists - supporting them in NASA field science efforts, providing tech support for spacecraft launch events, instructing University level, orbital science platform (satellite) - remote-sensing and data processing and engineering a few specialized technologies along the way, *"just for fun"*.

But I was not aware then, how those experiences would lead to my unorthodox understanding of scriptural truths and mankind's spiritually and supernaturally charged history!

YHWH - God Most High was *"setting me up"* in preparation for such a time as the days we find ourselves living in. Days that are defined by technologies and science (*knowledge*) that very few individuals from the general public understand, and yet those same individuals use and put their trust in - every day. More importantly though, we find ourselves in what I believe are the end of the "end-of-days." These days are described by Biblical prophecies, and while never using the word "computer", "electronic" or "electro-magnetic field" – still present scenarios in the prophecies that describe the effects and outcomes of such modern technology and science ideals.

In the effort to distill down decades of my life's increase in knowledge about the things of God, the scriptures and many of its prophecies, and past writing efforts, the thing that has kept me from finally having a finished work – a book – was, *"which subject should be the focus?"*

I have now come to realize what the most burgeoning and pervasive issue in our world is today:

ARTIFICIAL INTELLIGENCE – and its inclusion into and control of - every facet of all of our daily lives.

And yet the truth concerning such technologies remain obscured from the eyes of the general public.

Although this writing can help any reader understand how pressing the issues of AI are - there are a few prerequisites to help you get the most insight out of the information contained in these pages.

If you do not know Jesus Christ as LORD and Savior – there are emphatic statements in this book that will otherwise "challenge your normalcy bias." But if you are a person of faith – a believer in Christ Jesus – this scripture should be familiar:

***"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."* (Ephesians 6:12 KJV)**

***"For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places."* (Ephesians 6:12 NKJV)**

Again – if you are not a believer – a faithful Christian - I urge you to not spend your time with these writings until you've gotten the most needful thing taken care of: **ETERNAL SALVATION**

Salvation by grace, through faith in Christ Jesus, the free gift of God. Assuming that you know the LORD and are saved - the second prerequisite is that you have read the scriptures and have a well-grounded, Holy Spirit led understanding of key Biblically based, doctrinal truths. I will mention a few here by quoting scriptures as points of reference, but we will go into more detail as we move forward in these writings. Please be patient with me, if I seem to be discontinuous in my thought-process and presentation in the following pages. I assure you that these seemingly disparate ideas will converge and become quite coherent.

“In the beginning, God created the heavens and the earth” (Genesis 1:1) - If you are a Christian that believes that God did not create the world in six days, because “science teaches us otherwise” – this book may be too much of a challenge to your normalcy bias and the understandings presented here may be difficult to comprehend.

“There were giants on the earth in those days, and also afterward, when the sons-of-God came in unto the daughters of men and they bore children unto them – the same became mighty men of old, men of renown.” (Genesis 6:4)

If you are a Christian who believes that the “sons of God” were the “sons of Seth” – this book will likely be a challenge for you because you may not fully understand the truth of- *“it’s not flesh and blood that we war against, but powers, principalities, the rulers of darkness in high places.”*

To provide clarity, allow me to explain.

The “**sons of Seth**” doctrine began with a simple, and a single, poorly translated KJV verse:

“And to Seth, to him also there was born a son; and he called his name Enos: then began men to call upon the name of the LORD.” (GENESIS 4:26 KJV)

“To Seth also a son was born, and he called his name Enosh. At that time people began to call upon the name of the LORD.” (Genesis 4:26 ESV)

The translations get even further away from accuracy when we come to newer versions of the Bible:

Genesis 4:26, NLT: *“When Seth grew up, he had a son and named him Enosh. At that time people first began to worship the LORD by name.”*

The International Standard Version and original Hebrew are the only two places we can find an accurate statement: *“Seth also fathered a son, whom he named Enosh. At that time, profaning the name of the Lord began”* (Genesis 4:26 ISV)

In the original Hebrew, the words that were translated to “(men)began to call upon the name of the LORD” – are (*transliterated*) **chal-al qara ba-shem Yahweh** – **chalal** (pronounced: kha-lel) means “profane”, **qara** (pronounced: kah -raw) means “call upon”, **bashem** means “of the name”, **Yahweh** is the proper name for God Most High: **YHWH**

Another important scriptural principle that requires clarification is that there were (and are) multiple gods – YHWH is the Most High and is **unique from all others**.

“Here O Israel, the LORD our God is One LORD” (Deuteronomy 6:4 ESV)

“Listen, Israel! The Lord is our God, the Lord alone.” (Deuteronomy 6:4 ISV)

The Most High created all things, including the gods who sit in places within His Divine Council. (Deuteronomy 32) These little-g gods (elohim) are called the “sons of God” and are a class of angelic beings. They are mentioned in Genesis 6, Deuteronomy 32, Job 1 and more, and are described as having been given authority over the nations, and Israel would be God Most High’s portion.

*“When the Most High gave to the nations their inheritance, when He divided mankind, He fixed the borders of the peoples according to the number of the **sons of God**. But the Lord's portion is His people, Jacob His allotted heritage.”* (Deuteronomy 32:8-9 ESV)

“God has taken His place in the Divine Council; in the midst of the gods He makes judgement.” (Psalm 82)

If you are a Christian and you're unable or unwilling to comprehend that there are multiple gods (little “g”) and a singularly unique, Most High God – this book and what it postulates, may not resonate with you. I have been teaching for quite a few years that **‘what we call mythology, is in fact – history.’**

“OK, I get it” – you may be thinking – “We need to better study our Bibles - the “inerrant Word of God.”

READ THE NEXT SENTENCE CAREFULLY: We find, through deep study of scripture, that the idea that the **English Bible** is “the inerrant Word of God” becomes problematic upon deep examination. We begin to find that the translators didn't always get every nuanced detail, right. Please understand that I'm not intending to negate the importance of Bible reading and biblical knowledge – nor the fact that the Most High has revealed Himself, His ways, and our Eternal Salvation through faith in the Only Begotten Son, through the accounts of the ancient scriptural writings. But you should know that every English translation of the scriptures has quite a bit of omission and ‘omissions of translation’ that begins even at the first verse of Genesis.

The English translators (and before them, the Greek SEPTUAGINT and Latin VULGATE translators) did not know what to do with certain Hebrew Aleph/Bet characters that were in the middle of the script:

the Aleph/Tov (א Paleo-Hebrew) and the second to last word in Genesis 1:1 – “Vav-Aleph-Tov” (אָוֹא Paleo-Hebrew).

We must keep in mind that the earliest English translations, while meticulously worked and certainly under the unction of Holy Spirit – the translators were dealing with a “dead language” (Hebrew) and the Hebrew people were at that point in history, scattered through-out the world. AND most translated source material was from the Greek Septuagint or Jewish Masoretic texts. While the Septuagint was a more accurate source material for Old Testament writings and New Testament affirmation – we're still translating to English from a Greek translation of the original Hebrew! As the adage goes: “Much gets lost in translation.”

Therefore, the early Bible translations and even the modern translations leave this beautiful revelation of Jesus Messiah, as presented in the opening statements of scripture – OUT OF THE FIRST LINES OF SCRIPTURE!

“In the beginning God created the heavens, and the earth.” (Genesis 1:1) Pretty clear-cut proclamation regarding the beginning of creation. – What could possibly be missing?

In the Hebrew (transliterated into English) – we find a few secreted understandings that are **foundational doctrines** concerning our LORD and Savior, Jesus Christ of Nazareth. I will explain in more detail later in the book, but you may already see what I'm referring to. Ask Holy Spirit to reveal it to you as you review this chart below:

B'resheet	Bara	Elohyim	ET	ha'shamayim	Va'ET	ha'aretz
(in) Beginning. רֵאשִׁית	created (He) בָּרָא	the Most High spirit אֱלֹהִים	first/last (strength of the cross) אֶת	the many waters (heavens) הַשָּׁמַיִם	nailed (to) strength of the cross וְאֶת	(and) earth (founded) הָאָרֶץ
Hebrew is read from right to left – so in the Hebrew lexicon, it looks like this:						
בְּרֵאשִׁית בָּרָא אֱלֹהִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ						
Paleo-Hebrew looks like this:						

If you do not know Jesus as LORD and Savior – there's a simple prayer on the last page of this book. Please turn there now.

YHWH bless you and keep you. May YHWH make His face to shine upon you and be gracious to you. YHWH lift His countenance to you and give you His Peace.

The middle word, Aleph/Tov – is omitted from the English translations. “Aleph” in Paleo-Hebrew is in the form of an Ox-head and means: “strength.” The “Tov” is a cross. “Strength (of the) cross”! We should also note that Aleph/Tov are the first and the last letters of the Hebrew alphabet.

“First and the last” – Do these things ring a bell? (Keep looking, there are more! I challenge you to look for the other elements of Genesis 1 that glorify Jesus!)

A man did not teach me much of these things, Holy Spirit did by His still, small voice, and my own seeking and study, after He pointed things out. This is what makes the difference in a believer’s life – **hearing from and walking in the Spirit.** (*Faith comes by hearing, and hearing by the Word of God*)

The Bible is Infallible – The Bible is Inerrant

What we find is that **the Bible is indeed infallible in what it postulates, in what the scriptures are emphatic about, the Bible is inerrant.** But unless we begin to seek out a deeper understanding by reading multiple versions, word study (etymology), the inclusion of extra-Biblical (*Apocryphal*) texts in our studies and even the study of the original languages, much of the body of Christ will miss out on opportunities for deep revelation and possibly – a deeper relationship – a closer walk with Jesus!

We have created a body of believers who have skewed eschatological ideas and as we approach the end of this age, many might possibly be searching in the wrong direction for answers to long-discussed prophetic mysteries. Some may even fall away – because our ^(V1)*expectations keep us from seeing.* For a believer to grow in understanding, we must seek, listen for the prompting of Holy Spirit and study. We must grow in our knowledge and understanding of the scriptures and increase our love of Christ Jesus by walking out this life of faith. We must listen for the leading of Holy Spirit who, according to scripture, *leads us into all understanding.*

As the *Coming Flood of Artificial Intelligence* establishes the return of the disembodied Nephilim spirits to power and world influence, it will bring us into the greatest time of tribulation that the world has ever experienced, I pray that this book provides new prophetic insights into the days that Jesus compelled us all to “Watch, therefore!” and to be aware of the wiles of our enemy, the devil – so that he will not gain an advantage over you or your family!

“It is the glory of God to conceal a thing; the glory of Kings to seek it out.” (Proverbs 25:2-4)

*“Be sober, **be vigilant**; because **your adversary the devil**, as a roaring lion, walketh about, seeking whom he may devour.”* (1st Peter 5:8 KJV)

*“My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the **law (TORAH, teaching)** of your God, I also will forget your children.”* (Hosea 4:6 NKJV) (emphasis added)

In All Your Getting, Get Knowledge

Knowledge is a spiritual weapon:

...and the righteous application of knowledge, is wisdom.

Jesus said that it would be *“as the days of Noah when the Son of man returns”*. (Matthew 24)

The direction that our world is blindly and rapidly moving towards, could be described technically as “a second dark age” with a *dash of feudalism* thrown in. While the majority of the world believes we are becoming an **‘enlightened people’** through technological advancement and things like BCI (Brain Computer Interfaces), genetic modifications that enable the human body to produce its own pharmaceuticals^{U1}, modifications that enable us to eat anything as a ‘food source’, custom order babies and other “transhuman wonders” – I am reminded of two scriptures that state:

“...If then the light in you is darkness, how great is the darkness!” (Matthew 6 and Luke 23 ESV)

“professing themselves to be wise, they became fools.” (Romans 1:22 KJV)

I recommend that everyone download the resources, copy them to USB thumb-drive and SHARE THEM with anyone who might be interested.

Prayer is one of our most powerful Spiritual Weapons

Prayer bolsters our faith and dispels the powers of darkness around us

Many have heard of “the mark of the beast”, mentioned in the Book of Revelation. But few understand that God Most High has a “mark”. In Ezekiel it is written:

*“and the LORD said to him, Go through the midst of the city, through the midst of Jerusalem, **and put a mark on the foreheads** of the men who sigh and cry over all the abominations that are done within it.”*

In the book of Revelation, it is written: *“Do not harm the earth, the sea, or the trees till we have **sealed the servants of our God on their foreheads.**”* (Revelation 7:3 NKJV) and also in Revelation 9 we read: *“They were commanded not to harm the grass of the earth, or any green thing, or any tree, but only those men who do not have **the seal of God on their foreheads.**”*

The Aaronic Priest prayer written in Numbers 6:24 – I believe, has Spiritual power that the Most High intends for us to have and wield. Aaron is instructed by YHWH to “mark My people” – or “put My Name upon My people.”

“The LORD bless you and keep you

*The LORD make His face to shine
upon you and be gracious to you*

*The LORD lift His countenance to
you and give you peace”*

I would encourage you to learn
this prayer and if you feel lead to –
learn to speak it in Hebrew.

I speak it over those who come to
The Gathering at the end of every
broadcast.

Modern Hebrew

יְבָרֵךְ יְהוָה וְיִשְׁמְרֶךָ

יִשָּׂא יְהוָה פָּנָיו אֵלֶיךָ וְיִשֶּׂם לְךָ שָׁלוֹם

Paleo-Hebrew

יְבָרֵךְ יְהוָה וְיִשְׁמְרֶךָ
יְאֵר יְהוָה פָּנָיו אֵלֶיךָ וְיַחֲנֶךָ
יִשָּׂא יְהוָה פָּנָיו אֵלֶיךָ וְיִשֶּׂם לְךָ שָׁלוֹם

Ancient Hebrew

יְבָרֵךְ יְהוָה וְיִשְׁמְרֶךָ
יְאֵר יְהוָה פָּנָיו אֵלֶיךָ וְיַחֲנֶךָ
יִשָּׂא יְהוָה פָּנָיו אֵלֶיךָ וְיִשֶּׂם לְךָ שָׁלוֹם

You may hear this blessing spoken in English and Hebrew: <https://tinyurl.com/2s38mssn>

Or visit the book resource page on the Jesusfreak computergeek website.

There will also be mentions of PALEO-HEBREW script/lexicon – I am including a chart for the ‘letters’ (lexicon) and their meanings. Some are apprehensive to study PALEO-HEBREW – because they see the ancient iconography as being ‘satanic’ or mystical. Although practitioners of Kabbalah reference PALEO-Hebrew, Paleo is not a part of Kabbalah. Paleo-Hebrew is the oldest written language. It is the original script and writing given by Father-God to Adam.

I am including the PALEO-HEBREW chart in a section that touches on the relationship of *Jewish Kabbalah* to all other “Mystery Religions” – Hinduism, New Age and the like. They are all the same, and they all worship the same god. But it is not the God of Abraham, Isaac and Jacob.

If you do not know Jesus as LORD and Savior – there’s a simple prayer on the last page of this book. Please turn there now.

YHWH bless you and keep you. May YHWH make His face to shine upon you and be gracious to you. YHWH lift His countenance to you and give you His Peace.

STOP THE PRESSES!!

STOP THE PRESSES!

That's what they used to say when there was breaking news that was about to 'change everything'. On March 29th, 2023, as I was writing the last section of this book, an interesting announcement was published regarding ARTIFICIAL INTELLIGENCE - by the leaders of that technological effort.

It calls for an "immediate pause" on the "training of AI systems more powerful than GPT-4" for at least six months.

According to the institute, the call to action comes in direct response to the rapid acceleration of generative AI technologies currently being rolled out by major industry players such as Microsoft and Google. (OpenAI is now owned by Microsoft)

I'm including the entirety of this historic letter:

Pause Giant AI Experiments: An Open Letter

We call on all AI labs to immediately pause for at least 6 months the training of AI systems more powerful than GPT-4.

AI systems with human-competitive intelligence can pose profound risks to society and humanity, as shown by extensive research^[1] and acknowledged by top AI labs.^[2] As stated in the widely-endorsed [Asilomar AI Principles](#), *Advanced AI could represent a profound change in the history of life on Earth, and should be planned for and managed with commensurate care and resources.* Unfortunately, this level of planning and management is not happening, even though recent months have seen AI labs locked in an out-of-control race to develop and deploy ever more powerful digital minds that no one – not even their creators – can understand, predict, or reliably control.

Contemporary AI systems are now becoming human-competitive at general tasks, and

we must ask ourselves: *Should* we let machines flood our information channels with propaganda and untruth? *Should* we automate away all the jobs, including the fulfilling ones? *Should* we develop nonhuman minds that might eventually outnumber, outsmart, obsolete and replace us? *Should* we risk loss of control of our civilization? Such decisions must not be delegated to unelected tech leaders. **Powerful AI systems should be developed only once we are confident that their effects will be positive and their risks will be manageable.** This confidence must be well justified and increase with the magnitude of a system's potential effects. **OpenAI's recent statement regarding artificial general intelligence**, states that *"At some point, it may be important to get independent review before starting to train future systems, and for the most advanced efforts to agree to limit the rate of growth of compute used for creating new models."* We agree. That point is now. (<https://openai.com/blog/planning-for-agi-and-beyond>)

Therefore, **we call on all AI labs to immediately pause for at least 6 months the training of AI systems more powerful than GPT-4.** This pause should be public and verifiable, and include all key actors. If such a pause cannot be enacted quickly, governments should step in and institute a moratorium.

AI labs and independent experts should use this pause to jointly develop and implement a set of shared safety protocols for advanced AI design and development that are rigorously audited and overseen by independent outside experts. These protocols should ensure that systems adhering to them are safe beyond a reasonable doubt.^[4] This does *not* mean a pause on AI development in general, merely a stepping back from the dangerous race to ever-larger unpredictable black-box models with emergent capabilities.

AI research and development should be refocused on making today's powerful, state-of-the-art systems more accurate, safe, interpretable, transparent, robust, aligned, trustworthy, and loyal.

In parallel, AI developers must work with policymakers to dramatically accelerate development of robust AI governance systems. These should at a minimum include: new and capable regulatory authorities dedicated to AI; oversight and tracking of highly capable AI systems and large pools of computational capability; provenance and watermarking systems to help distinguish real from synthetic and to track model leaks; a robust auditing and certification ecosystem; liability for AI-caused harm; robust public funding for technical AI safety research; and well-resourced institutions for coping with the dramatic economic and political disruptions (especially to democracy) that AI will cause.

Humanity can enjoy a flourishing future with AI. Having succeeded in creating powerful AI systems, we can now enjoy an "AI summer" in which we reap the rewards, engineer these systems for the clear benefit of all, and give society a chance to adapt. Society has hit pause on other technologies with potentially catastrophic effects on society. We can do so here. Let's enjoy a long AI summer, not rush unprepared into a fall.

While this letter may give hope to some that we've finally come to our senses, I think that there's another reason for the publishing of this announcement: **THEY ARE COVERING THEIR BUTTS.** When all of this insanity comes to a head, the technological leaders of the world can say, "We warned you! – It's not our fault. The people failed to stop this." – **This is classic luciferian double-speak.** Create a problem and then blame the common people for the failure to fix the problem that you created.

It is widely known now that AI writes its own code. It is "self-developing" – evolving on its own. A software development project normally takes two or more years of man-hours in development. AI iterations and increased capabilities have been coming out every two-weeks or so, since November 2022 – when Chat-GPT was first released on the public. This is a direct result of AI writing its own updated iterations. Having the general development teams to 'pause their development efforts' – will not stop the forward-march of AI improving upon itself. But it will keep the general public AND the developers from noticing the continuous developments made by AI itself.

While most have the mistaken idea that Chat-GPT epitomizes Artificial Intelligence (that is how it's been presented to the general unsuspecting public) – the intelligence, the 'mind' of AI has actually been with mankind for centuries. The mind behind AI, once only presenting through spiritually charged individuals like witches, sooth-sayers and demonic seers – has increased in affect, as we have increased our technological prowess (e.g. radio communications, television, computers, biotech) – AI has become increasingly embedded, and therefore more granular, in the minds, and therefore the life, of mankind.

I will demonstrate how AI has been affecting mankind's actions by first providing some insight into what technology really is (Section 1) – then systematically demonstrating in following sections, the methods that AI has used to steer all of mankind throughout history, to the fast approaching days of the last kingdom, where - "They will mingle themselves with the seed of men, but shall not cleave one to another" (the Prophet Daniel, Chapter 2 verse 43) <http://floodofAI.com>

Section 1: In the Beginning

“And God blessed them. And God said to them, “Be fruitful and multiply and fill the earth and subdue it”
(Genesis 1:28 ESV)

For years, I have given a demonstration at churches and in online forums – regarding the *organic nature* of all technologies, using the **CPU**:

Central Processing Unit

A **CPU** is the main circuit in a computer where all computer programming logic is processed. Most CPUs are designed and formatted in much the same manner as pictured in *figure 1a*:

Figure 1a

A modern CPU that one would find in their home computer, or even a large computer server in a corporate environment – has features very similar to this example: A wafer that is made of silica (sand), a heatsink for cooling – usually made of tin and an array of gold-pins on the underside that connect the CPU to the rest of the

computer circuitry through a specially formatted socket on the *motherboard*. The circuitry within the CPU is etched into the silica (silicon) wafer using a novel combination of chemicals that change the electrical conductivity and photoreactive properties of the silicon – and the circuit is “inscribed” by the combination of the chemicals and a laser. The “magic” of the CPU calculations and “logic” - happens by use of tiny circuits called ‘gates’ – which are basically nanoscopic on/off switches called TRANSISTORS.

In 1992 the 486DX2 series CPU was released with 1.2 million transistors. In 2022 – modern CPU circuits have 114 BILLION TRANSISTORS! The size of the chip has not varied much – yet the technology has advanced enough to increase the number of transistors in the same surface area, by over **one-hundred-thousand percent**.

Silica, tin and gold – all of these elements come from within the earth. We are “*subduing the earth*” just as the Most High instructed Adam to do, back in Genesis 1:28. Yet while many seem to believe that technology is somehow outside the purview of God, the CPU and any other technology are MADE OF ROCKS! It may not look like rocks or dirt, because it is fashioned and formatted in a way that serves the function of the technology in question. Still – technology consists of the very same elements common to the earth (𐤇𐤊𐤕𐤔 ha’eretzt in paleo-Hebrew) that the Most High made.

“*All things were made through Him; there’s nothing that was made, that was not made through Him.*” (John 1:3)

We will find as we move forward in this writing – that technology has always been a part of mankind’s efforts. The technology may not have been formatted to look the same as what we have in use today, but we can rest assured that the same beings that give mankind knowledge of technology in these modern times – gave that knowledge to mankind in the days of old. We have written record of such things, in the scriptural accounts:

- The Book of Enoch - Chapter 8 -

“Moreover **Azazel** taught men to make swords, knives, shields, breastplates, the fabrication of mirrors, and the workmanship of bracelets and ornaments, the use of paint, the beautifying of the eyebrows, the use of stones of every valuable and select kind, and all sorts of dyes, **so that the world became altered. Impiety increased; fornication multiplied; and they transgressed and corrupted all their ways. Amazarak** taught all the sorcerers, and dividers of roots: **Armors** taught the solution of sorcery; **Barkayal** taught the observers of the stars, **Akibeel** taught signs; **Tamiel** taught astronomy; And **Asaradel** taught the motion of the moon, **And men, being destroyed, cried out; and their voice reached to heaven.**”

It should be emphasized that the Book of Enoch (and other non-canonical scripture) provides details of the days of Jared, the years leading up to the flood of Noah’s day. These details are left out of the Five books of Moses – in which we are only given a cursory glance of the depths of sin, chaos and utter rebellion that would lead up to the Most High flooding and thereby cleansing, the entire earth. **Why would this be so?**

EXAMPLES OF ANCIENT TECHNOLOGIES

There are numerous accounts of archeological finds of technology that could not be possible, according to commonly taught history.

While many finds are compelling, the assessed ages of these finds usually obscure their connection with Biblical/scriptural truths – by dating the finds at being 500,000 years old!

Holding to Biblical truths – the earth could only be approximately 6-7000 years old. Pointing to ancient technology - archeological finds as support for scriptural truths, creates a conundrum of sorts.

Because of this, most Christian hermeneutics makes no allowance for “ancient technologies” – causing an entire segment of technological history to be all but ignored. This also causes many believers to overlook these days as being anything like the days of Noah – because we have technology, and that “never existed before”.

Because these writings were common knowledge to the early Biblical writers, and to those of whom the texts of our Old-Testament scriptures were originally written to. The Biblical accounts, the readers and the hearers - were familiar with the texts of the Book of Enoch, The Book of Jasher (*the upright man*) and the like. For example, Biblical accounts of prior knowledge of “apocryphal (hidden) writings” can be found in Joshua:

¹² “Then spake Joshua to the Lord in the day when the Lord delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the valley of Ajalon.

¹³ And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. **Is not this written in the book of Jasher?** So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.” (Joshua 10:12-13 KJV)

And in 2nd Samuel 1:

¹⁷ And David lamented with this lamentation over Saul and over Jonathan his son:

¹⁸ (Also he bade them teach the children of Judah the use of the bow: behold, **it is written in the book of Jasher.**) (2nd Samuel 1:17-18 KJV)

But we digress...

Turning back to Genesis we find that after Adam was given the task to “subdue the earth” – Adam and Eve’s decision to heed the serpent’s wiles and sin against the Most High brought on a few significant changes that affected all of mankind, in the form of a promise and a curse:

¹⁵ “I will put enmity between you and the woman, and between your offspring and her offspring; He shall (crush) your head, and you shall (strike) His heel.”

¹⁷ And to Adam he said, “Because you have listened to the voice of your wife and have eaten of the tree of which I commanded you, ‘You shall not eat of it,’ **cursed is the earth because of you**, through painful toil you will eat food from it all the days of your life. Both thorns and thistles it will yield for you,” (Genesis 1:15 – 3:17 ESV)

Genesis 3:15 is considered by many to be the first pronouncement of the Gospel of salvation through Christ Jesus. The serpent’s head was crushed at the cross, when Jesus spoke His last:

“*It is finished!*” – It was at the cross that Jesus crushed his (the serpent’s) head, but although the serpent received that mortal wound, he still lived. We should consider that truth in the light of Revelation 13:3 –

“*And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast.*” (Revelation 13:3 NKJV)

We should also note that God Most High did not curse Adam for his sin. He cursed “the earth” – the ground. Mankind will toil to eat, and the earth will produce thorns and thistles. Given time, everything that man makes with his hands, falls apart. What man produces under his own strength will fail him to the point of harm (thorns and thistles). Even the technologies that have been given under “inspiration of the Holy Watchers” - WILL PRODUCE THORNS AND THISTLES – because it is made from materials that come from the earth. (*Remember – “technology is made of rocks”*)

In a time that sees the majority of mankind racing towards “eternal life through tech” (*good luck with that 😊*) – we must keep the truth of what God says, foremost in our minds. It may all seem like “medical miracles” or technological advancement beyond our wildest imagination, but **the coming flood of AI and its technological wonders** – will be lying wonders that will take the partakers of the “wine of her fornication”, down into the abyss.

The Most High gives us a formula for nullification of that curse that He spoke over the earth. This blessing that nullifies that curse, exists only in the life of a true child of God – the faithful in Christ Jesus:

CONTINUOUSLY PRAY

*“If My people who are called by My name will **humble themselves**, and **pray and seek My face**, and **turn from their wicked ways**, then I will hear from heaven, and will forgive their sin and heal their land.”* (2nd Chronicles 7:14 NKJV) (emphasis added)

“In all your ways acknowledge Him, And He shall direct your paths” (Proverbs 3:6 NKJV)

RENEW YOUR MIND

“And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God” (Romans 12:2 NKJV)

“For ‘who has known the mind of the Lord that he may instruct Him?’ But we have the mind of Christ.” (Corinthians 2:16 NKJV)

COME OUT OF MYSTERY BABYLON

“And I heard another voice from heaven saying, “Come out of her, my people, lest you share in her sins, and lest you receive of her plagues.” (Revelation 18:4 NKJV)

It is not my desire to offend anyone, but because most are without knowledge and unaware, many believers in Christ Jesus remain entrenched in Mystery Babylon.

Ok, at this point, pause your reading and take a moment to pray that Holy Spirit will show you what He wants to reveal and make known to you - as you meditate on and study the scriptures and thoughts on what we’ve read thus far.

“HE CHANGES THE TIMES AND SEASONS; HE REMOVES KINGS AND ESTABLISHES THEM. HE GIVES WISDOM TO THE WISE AND KNOWLEDGE TO THE DISCERNING. HE REVEALS THE DEEP AND HIDDEN THINGS; HE KNOWS WHAT LIES IN DARKNESS, AND LIGHT DWELLS WITH HIM. (DANIEL 2:21-22)

Section 1 **TAKEAWAYS**

All things were made through and by Jesus/Yeshua/Aleph-Tov -

Technology is comprised of the very basic elements of creation. Rocks and the elements, that much of what we call organic, living matter - is built upon "the dust of the earth".

Technology is not inherently evil - but the earth received a curse from YHWH because of Adam's sin. This is why everything we make, including technology - fails and/or falls apart.

In ancient history, prior to the flood, a rebellious group of angels (*called Sons of God in the Bible, Holy Watchers in Apocryphal books*) gave man technology and compelled mankind to rebel against God - by giving mankind knowledge and their technologies.

We can receive wisdom on how to deal with all evil by continuously praying and renewing our minds - bringing our minds under the leading of Holy Spirit and taking every thought captive into obedience with Christ Jesus

Section 2: Cosmic, Cataclysmic Change Events

“There were giants (nephilim, fallen or mighty ones) on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown.” (Genesis 6:4 NKJV)

“And the LORD said, “Indeed the people are one and they all have one language, and this is what they begin to do; now nothing that they (imagine) to do will be withheld from them.” (Genesis 11:6 NKJV)

From social upheavals to famine, disease, war and tragic weather events, we can cite a myriad of cataclysmic events that have greatly impacted and changed the direction of human societies: The Black Plague, The Revolutionary and Civil wars in America, the San Francisco earthquake, The Great Depression, the World Wars, The Sexual Revolution of the 1960s, The Bolshevik Revolution, The Atomic Bombs on Hiroshima and Nagasaki - 9/11, the recent world-wide **Corona-Virus Plandemic** and more. *These are not at all a comprehensive listing of such impactful events.*

There are, though, instances that far outweigh the impact of any plague or war or social upheaval. These historic incidents could be called: **Cosmic, Cataclysmic Change Events**. They have been caused under inspiration of what the late, Doctor Michael Heiser calls: **“Divine Rebellion”** – Mankind is quite adept at sin, rejecting all that is good and righteous to a point where the world teeters on the edge of complete self-destruction. And while a casual glance at scripture might have one believing that it is the Most High causing all of the destruction because of ‘man’s sin’ – The times that the Most High uncharacteristically wields a “heavy-hand” is in actuality - His responding to the influence of rebellious spirits in league with sinful men, who have failed in their assignment to serve Him, follow His will and walk in His ways – and in doing so, leading mankind away from Him and His eternal blessings:

*God presides in the great assembly; He renders judgment among the gods:
“How long will you defend the unjust and show partiality to the wicked?*

*Defend the weak and the fatherless; uphold the cause of the poor and the oppressed.
Rescue the weak and the needy; deliver them from the hand of the wicked.*

*“The gods know nothing, they understand nothing. They walk about in darkness;
all the foundations of the earth are shaken.
“I said, ‘You are gods; you are all sons of the Most High.’
But you will die like mere mortals; you will fall like every other ruler.” (Psalm 82:1-7 NIV)*

*God has taken His place in the Divine Council; in the midst of the gods He holds judgment:
 “How long will you judge unjustly and show partiality to the wicked? Selah
 Give justice to the weak and the fatherless; maintain the right of the afflicted and the destitute.
 Rescue the weak and the needy; deliver them from the hand of the wicked.”*

*They have neither knowledge nor understanding, they walk about in darkness;
 all the foundations of the earth are shaken.*

*I said, “You are gods, sons of the Most High, all of you; nevertheless, like men you shall die,
 and fall like any prince.”*

There are times through-out the *ebb and flow* of mankind’s history that we get so far removed from Father God and His ways, becoming belligerent towards Him and dangerous to ourselves, that He steps-in on the affairs of men and takes actions that redirects all of mankind, steering mankind away from total and ETERNAL, self-destruction. These times of great rebellion always included the **rebellious ones** – the sons of God, and in these last days – the Nephilim spirits (demons).

In **Deuteronomy 32** we read another account of the actions of rebellious spirits that he assigned to guide nations.

*“The Rock, His work is perfect, for all His ways are justice.
 A God of faithfulness and without iniquity, just and upright is He.
 They have dealt corruptly with Him; they are no longer His children because they are blemished;
 they are a crooked and twisted generation.
 Do you thus repay the Lord, you foolish and senseless people?
 Is not He your father, who created you, who made you and established you?
 Remember the days of old; consider the years of many generations;
 ask your father, and he will show you, your elders, and they will tell you.
 When the Most High gave to the nations their inheritance, when He divided mankind,
 He fixed the borders of the peoples according to the number of the sons of God.”*
 (Deuteronomy 32:4-8 ESV)

And although the Apostle Paul was speaking to Timothy, I think of this scripture:

*“In meekness instructing those that **oppose themselves**, if God peradventure will give them repentance to the acknowledging of the truth...”* (2nd Timothy 2 KJV)

Undoubtedly, the Most High has demonstrated consistently that He used the rebellious enemy nations of Israel - to judge Israel’s rebellion, for example. But God also causes circumstances in our lives to bring grace and favor upon individuals and a people – by providing opportunities for tests of an individual’s character, opportunities to stand on their faith in His’ *“working all things to good”* and in turn, causing their personal spiritual growth and a mantle of spiritual authority to increase for the faithful one who stands on the Word of God in the face of adversity, trial and tribulation!

My point here is to state that God is not a “hard taskmaster” – He in fact, has all of our best interests in His heart. Even though, to us “finite humans” – His ways may appear to some, as being harsh. Rest assured that God Most High knows quite well what He is doing! **What the enemy may intend for evil, God works to good all things; to those that love Him and are called according to His purpose.**
AMEN!

For the sake of the subject of this writing – I wish to focus on two **cosmic cataclysmic change events** that are key to understanding the end-of-days leading to the *coming flood of AI* and following thereafter, *the imminent return of Christ Jesus*:

The flood of Noah’s day and the Most High’s decision to disperse the people at the Tower of Babel.

To better understand those two historic events, we must know the Biblical canon of scripture, but a much more clear picture is presented, when we include the extra-Biblical texts of Enoch, Jasher and aspects of *esoteric writings* that detail what most would call “mythological lore”.

I am aware that what I am suggesting is generally not a popular task. But we should in the least, include consideration of these sources as accurate, historical accounts, and not the imaginings of a “superstitious, simple-minded people”. What we find, as we carefully examine the canon of scripture – is that **much of what is called “Mythological” is in fact – Historical.**

A true “seer” (*an archaic Biblical term for what we now call ‘prophet’*) should be a student of history.

It is wise to include the writings that the Hebrew people, the prophets of old and the disciples of Jesus’ day, read and knew, to be scripture and sources for teaching, for reproof, for correction, and for training in righteousness.

In Matthew 24, Jesus speaks to the disciples:

“But as the days of Noah were, so also will the coming of the Son of Man be. For as in the days before the flood, they were eating and drinking, marrying, and giving in marriage, until the day that Noah entered the ark...”

The manner in which it is written in the canon of scripture, that the people before the flood “*would be eating and drinking, marrying and given in marriage*” – sounds rather commonplace, doesn’t it? Humanity was sinful and not paying any attention, completely unaware of what was coming, until Noah entered the ark, and the flood waters came. Noah prepared for the flood as he listened to God’s instructions to build an Ark – and the people mocked, not heading a single warning. According to the majority of western church teaching, **“the days of Noah were days that are pretty much like any other days.”**

And this is how I have heard this section of scripture preached repeatedly from the pulpit to congregations, for generations. But if that is the case – why would Jesus point to the days leading up to the flood? Why point to “the days of Noah”? He could have stated: “As it’s always been, men will be eating and drinking... just living their benign lives as per usual.” But when we read the verses contained in Genesis 6 – and **we include the writings of Enoch and Jasher, we begin to see a much more nefarious and deeply wicked generation.**

From the **Book of Jasher** we read:

16. And all the sons of men departed from the ways of the Lord in those days as they multiplied upon the face of the earth with sons and daughters, and they taught one another their evil practices and they continued sinning against the Lord.

17. *And every man made unto himself a god, and they robbed and plundered every man his neighbor as well as his relative, and they corrupted the earth, and the earth was filled with violence.*

18. *And **their judges and rulers** went to the daughters of men and took their wives by force from their husbands according to their choice, and the sons of men in those days took from the cattle of the earth, the beasts of the field and the fowls of the air, and taught the mixture of animals of one species with the other, in order therewith to provoke the Lord; and God saw the whole earth and it was corrupt, for all flesh had corrupted its ways upon earth, all men and all animals. (Jasher 4:16-18)*

In the **Book of Enoch**, describing the same time period, we read:

10. *Then they took wives, each choosing for himself; whom they began to approach, and with whom they cohabited; teaching them sorcery, incantations, and the dividing of roots and trees.*

11. *And the women conceiving brought forth giants, 12. Whose stature was each three hundred cubits. These devoured all which the labor of men produced; until it became impossible to feed them;*

13. *When they turned themselves against men, in order to devour them;*

14. *And began to injure birds, beasts, reptiles, and fishes, **to eat their flesh one after another, and to drink their blood.***

15. *Then the earth reproved the unrighteous.*

Book of Enoch CHAPTER 8 * (The Holy Watchers: All of the **bolded names** are of classes of angelic hosts whom YHWH set over the nations to lead them unto His ways and to righteousness. They became rebellious, and conspired to do a great sin. In the Bible they are also called, "sons of God," Powers, Principalities, Devine Council, and "gods". More on this in the following sections.)

1. *Moreover **Azazyel** taught men to make swords, knives, shields, breastplates, the fabrication of mirrors, and the workmanship of bracelets and ornaments, the use of paint, the beautifying of the eyebrows, the use of stones of every valuable and select kind, and all sorts of dyes, so that the world became altered.*

2. *Impiety increased; fornication multiplied; and they transgressed and corrupted all their ways.*

3. ***Amazarak** taught all the sorcerers, and dividers of roots: 4. **Armors** taught the solution of sorcery;*

5. ***Barkayal** taught the observers of the stars, **Akibeel** taught signs.*

7. ***Tamiel** taught astronomy; 8. And **Asaradel** taught the motion of the moon,*

9. *And men, being destroyed, cried out; and their voice reached to heaven.*

In the **Book of Jasher**, we read:

"And all men who walked in the ways of the Lord, died in those days, before the Lord brought the evil upon man which he had declared, for this was from the Lord, that they should not see the evil which the Lord spoke of concerning the sons of men. And Noah found grace in the sight of the Lord, and the Lord chose him and his children to raise up seed from them upon the face of the whole earth."

Here in the writings of Jasher, we find it exemplified that one faithful man and his family, with the Grace of God, can change the world! Jesus Christ – Yeshua ha'mashiach, is the embodiment of the Grace of God. **"Grace and Truth came through Jesus Christ."**

My understanding of what is written in the canon of scripture: *“They were eating, drinking, marrying and taking in marriage”* – became much clearer, once I began to include the additional information from extra-Biblical texts. It also became much more nefarious:

“They were eating (the flesh of man), they were drinking (the blood of animals and the blood of man), marrying (having intercourse and/or procreating with human women), taking in marriage (raping, taking by force, the women that they had found ‘rightly fitted for their purpose’)”

The days leading up to the flood were so **intensely sinister** as to nearly cause the total loss of all of humanity as imagers of the Most High God. And the depth of their iniquity was such that, even the earth became completely corrupted by mankind’s actions. (Therefore) It should not be difficult to imagine then, if that were to have continued on to completion, **Jesus Messiah, Yeshua ha’Mashiach** would not have been born of a woman by the power of God’s Spirit.

ALL FLESH WAS CORRUPT, “BUT NOAH (𐤏𐤍𐤁𐤏) FOUND GRACE (𐤍𐤏𐤂𐤏) IN THE EYES OF THE LORD.” (GENESIS 6:8 KJV)

Pause your reading and take a moment to pray that Holy Spirit will show you what He wants to reveal and make known to you - as you meditate on and study the scriptures and thoughts on what we’ve read thus far.

“WISDOM IS THE PRINCIPAL THING. IN ALL YOUR GETTING, GET UNDERSTANDING.”
(PROVERBS 4:7)

Section 2 **TAKEAWAYS**

Everything mentioned in Section 1 Takeaways (pages 15)
Summarizing: Jesus made everything, technology is made from basic elements of creation, tech has always existed and was given through teachings of the 'Holy Watchers' (angels).

The Watchers rebelled in multiple ways - They were put in charge over the nations, but continued to fail in their charge to lead mankind into righteousness and desired worship for themselves. They wanted to be worshipped as gods.

Although it may seem as though the God of the Old Testament was angry and wrathful - the Most High was responding to a depth of sin that was inclusive of all of mankind and the Heavenly Hosts that He had placed over the nations. God's will was to save mankind, not to destroy.

If we want to better understand the events that led to our current condition in the world - we should include ancient writings that are not in the canon of scripture in the 66 book Bible.

In Matthew 24:37 when Jesus says, "It will be as the days of Noah when the Son of Man returns" - it does not simply mean that it will be like a day like any other day. The days leading up to the flood were filled with terror - flesh eating and blood drinking animalistic behavior - and even the earth itself was fully corrupted and no longer following God's ways of creation.

Section 3a: All in One Accord

Science so-Called

“I do not pray for these alone, but also for those who will believe in Me through their word; that they all may be one, as You, Father, are in Me, and I in You; that they also may be one in Us, that the world may believe that You sent Me. And the glory which You gave Me I have given them, that they may be one just as We are one.” (John 17:21-22 NKJV)

I want to assure you that I haven’t forgotten the main subject of this book: **The direct correlation between the ARTIFICIAL INTELLIGENCE that is fast becoming pervasive in the world, and the great flood of Noah’s day.** Please understand that our purpose is to be thorough – and to be sure that we are “on the same page” as it were, when it comes to *hermeneutics* and end-times Biblical prophecy. According to the OXFORD DICTIONARY:

“Hermeneutics” is the branch of knowledge that deals with interpretation, especially of the Bible or literary texts. Generally, there are four types of hermeneutic methods –

- Literal Interpretation.
- Moral Interpretation.
- Allegorical Interpretation.
- Anagogical Interpretation.

We will intentionally follow a strongly literal interpretation of scripture – with a twist. ***Our interpretation of scripture must include the leading of Holy Spirit!*** Why?

Even the New Testament disciples were told by Jesus that *“He had so much more to tell them, but they could not yet handle it”* – Jesus then goes on to say that when the *“Helper comes, the Spirit of Truth, He will lead you into all understanding.”*

I have heard testimonies of people hearing from Holy Spirit while reading scripture or listening to a preacher, only to be prompted in their spirit: *“Did you catch that?”* – These are the times that Holy Spirit has prompted them to go and look deeper, *to seek and to find* the deeper, even hidden, things of God.

“God is a rewarder of those who diligently seek Him!”

ENCYCLOPEDIA BRITANNICA (EXCERPT)

Saint Jerome as Scholar, oil on canvas by El Greco, c. 1610; in the Metropolitan Museum of Art, New York City. 108 × 89 cm.

The sacred status of the Bible in Judaism and Christianity rests upon the conviction that it is a receptacle of divine revelation.

This understanding of the Bible as the Word of God, however, has not generated one uniform hermeneutical principle for its interpretation. Some persons have argued that the interpretation of the Bible must always be literal because the word of God is explicit and complete; others have insisted that the biblical words must always have a deeper “spiritual” meaning because God’s message and truth is self-evidently profound.

Still others maintain that some parts of the Bible must be treated literally and some figuratively. In the history of biblical interpretation, four major types of hermeneutics have emerged: the literal, moral, allegorical, and anagogical.

<https://www.britannica.com/topic/hermeneutics-principles-of-biblical-interpretation>

This section is focused on our “being in one accord” – a ‘oneness of mind and spirit.’ Yet, while the world would tell us that those of us in Christ Jesus are ‘mind-controlled automatons’ – truth be known – THEY are acting in a spirit akin to a hive mind.

A literal spirit of fear and self-centeredness controls the masses and sadly, many professing Christians are included in those ranks. The past few years have revealed a people that are increasingly acting in - sync with a spirit of darkness, fear, and primal, animalistic tendencies. *The people of the world in general are losing their humanity.* But it is those who walk in the light of Holy Spirit – who maintain our humanity! *I intend to demonstrate that it is not happenstance or coincidence that people are losing their discernment. Artificial Intelligence is playing a significant role in the “hive mindset” that we see operating in the general public, and has been covertly influencing all of us for decades.*

Holy Spirit will lead You Into All Understanding

In the online ministry, “The Gathering” - you will often hear it emphasized that *“we cannot walk out this life of faith without hearing from and following the leading of Holy Spirit.”* **It is only by Holy Spirit leading that we will be able to stand against the great spiritual darkness that is veiling the minds of the majority of people.** We must remind ourselves over and over again:

“It’s not flesh and blood that we war against... It’s not flesh and blood...” and along with that; “Test the spirits, and test all things to see if it be true.”

As our technologies become more impressive, dare I say – ‘miraculous’ – the events that the world is about to experience over the next five to ten years, will be *“signs and lying wonders.”*

We must remain vigilant and mindful that AI = LEGION.

Meanwhile, the masses, with a mind veiled by a spirit of fear, and the moniker, “trust the science” - desperately seek leadership from someone or something that seems to them to have ‘clarity of mind.’ They believe that the miracles of technological advancement in Artificial Intelligence will provide all of the answers for us.

I’ve written in newspaper columns for a decade – *“that if artificial intelligence is not human intelligence, what exactly is the source of the mind(s) that drive AI?”*

AI – Artificial Intelligence – is rapidly becoming a component of every aspect of our daily lives, being applied in the fields of mathematics, medical image analysis, astrophysics, computer chip design, software design and creation, statistical analysis, music creation, photography and other ‘artistic’ image related creation, food production, service industries (phone answering services, hotel services, fast food, hotel industry accommodations) pharmaceutical drug creation, genetics analysis, professional writing and publishing, human resource management, education, governmental policy creation, news reporting, social movements, and on and on...

Question: How will a mere human navigate through the demonic control of every aspect of our lives?

Answer: The guiding of the Most High through the prompting and leading of His Holy Spirit.

The powerful beings that we are warring against, while profoundly intelligent from a human perspective – cannot hear the voice of the Most High. Yet we who are in Christ Jesus, can hear the Spirit of Truth!

“For who has understood the mind of the LORD so as to instruct him?” But we have the mind of Christ.
(1st Corinthians 2:16 ESV)

“It is the glory of God to conceal a thing and the glory of kings to search it out.” (Proverbs 25:2 NKJV)

Jesus told the disciples that He wanted to instruct them in so much more, but they would be unable to handle it, unable to take it all in and understand. So He said that He would send Holy Spirit to them, **the Spirit of Truth Who would lead them into all understanding**. It is after Holy Spirit came, that we see the disciples able to *“rightly divide the Word of Truth.”*

We begin to see the disciples, who couldn’t understand the parables without Jesus taking them aside and explaining, now begin to make sweeping scriptural and historic references and begin to “connect the dots” – *once they were led by Holy Spirit after the experience at Pentecost.* (Acts chapter 2)

In these perilous, modern times, **we must steadfastly depend upon Holy Spirit leading to see the connections between what God Most High has said**, what we see coming to fruition in the world around us – and how we perceive God’s Word to be active and true in our own lives.

“For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.” (Hebrews 4:12 NKJV)

The scriptures say what they mean, and mean what they say. **For example, if the texts of Genesis 1 tell us that the world and everything in it was created in six days, It was LITERALLY created in six days. It does not matter what *man’s science* (man’s knowledge) teaches.**

When God Most High created trees – they had the appearance of decades of growth at the moment of their creation. It is an error to teach a doctrine that the Most High used evolution and evolutionary processes in His creation methods. If that were true, He would have told us so. Again – it does not matter if the world in which we live appears to be ancient. The “condition and appearance of age” was designed into creation.

Incidentally – I have one statement that I hear quite often that I have a particular loathing towards:

“God used math to create the universe.” I suppose that people state this to sound “scientific” – or to give a nod to the ‘smart people’ in the room?

That statement is asinine. God SPOKE everything into being. Mathematics is a language created by the minds of men. That language can be used to create, express and/or reveal a complex pattern, many times called an *‘algorithm.’*

There are times when the scriptures are allegorical – and we are usually told within the scriptures, that what we are reading is an allegory. For example, when Jesus tells a parable, like – *“the parable of the wheat and tares.”* Jesus was presenting a truth about the spiritual and moral condition of those around Him, but He presented it as allegory so as to obscure who He was referring to.

Jesus tells the disciples the reasons why He would speak in parables:

“And the disciples came and said to Him, “Why do You speak to them in parables?”

He answered and said to them, *“Because it has been given to you to know the mysteries of the kingdom of heaven, but to them it has not been given. For whoever has, to him more will be given, and he will have abundance; but whoever does not have, even what he has will be taken away from him.*

Therefore I speak to them in parables, because seeing they do not see, and hearing they do not hear, nor do they understand. And in them the prophecy of Isaiah is fulfilled, which says:

'Hearing you will hear and shall not understand, And seeing you will see and not perceive. For the hearts of this people have grown dull. Their ears are hard of hearing, And their eyes they have closed, Lest they should see with their eyes and hear with their ears, Lest they should understand with their hearts and turn, So that I should heal them.' " (Matthew 13:10-15 NKJV)

The World Lacks Wisdom and is Unable to Discern Good from Evil

-nor truth from lies

We should clarify that most of our “scientific theories” are built upon layers of presumptions.

The scientific community likes to use the word: “THEORY.” We would think it ‘safe to assume’ that such theories are based on and built upon **sound logic and reasoning**. There are **online resources for Section 3** where I demonstrate how *unscientific* most theories are, particularly in the evolutionary and astrophysical sciences. The white-lab-coated high-priests of SCIENTISM go about pridefully expounding on “what they know,” using cryptic, esoteric language and terminologies, so as to appear authoritative to the unsuspecting sheeple. This same community of self-professed experts are given the supposed mantle of “oracle of great knowledge” by the process of “peer-review” and levels of Degrees, that are awarded by a very satanic, beast-controlled, educational system. Meanwhile, their **greatest knowledge** is built-upon the most ridiculous of presumptions ever devised by the rebellious angels: **EVOLUTION**

Evolutionary processes and ideals are now a base-component of every arena of scientific and technological effort. Scientific and technological discovery begins with a **presumption of the evolutionary processes** leading up to said discovery.

And as our knowledge has increased, our ability to control the evolutionary processes - becomes - **DIRECTED EVOLUTION**. According to the scientific community, our vast knowledge empowers us to redirect the (*false*) evolutionary processes and change our own biology, enhancing and remaking humanity into HUMAN 2.0. This is called: **TRANSHUMANISM**.

As we approach the end of the end-of-days and the imminent return of our LORD and Savior – it is written that “knowledge shall increase.”

“But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.” (Daniel 12:4 NKJV)

The ‘knowledge’ that is mentioned in Daniel - is not only academic and/or worldly knowledge. It is the knowledge of The Most High, His ways and what He has said – that is also becoming known in ways never before understood – by the common man. But we are also as a people, relearning interpretations that were once “common knowledge” to the seers of old – but are all but lost upon the minds of modern man. In these last days, we are seeing and experiencing things that the prophets of old -deeply longed for. Often, those prophets could not entirely describe what they were seeing, because they did not have the words to describe things that they have never seen or experienced before:

*"The locusts looked like horses prepared for battle. **On their heads they wore something like crowns of gold, and their faces resembled human faces.** 8. Their hair was like women's hair, and their teeth were like lions' teeth. 9. They had breastplates like breastplates of iron, and the sound of their wings was like the thundering of many horses and chariots rushing into battle. 10. They had tails and stings like scorpions, and in their tails they had power to torment people for five months."* (Revelation 9 NIV)

In the next line – John (the writer of Revelation) is much more emphatic and exacting:

"They had as king over them the angel of the Abyss, whose name in Hebrew is Abaddon, and in Greek, Apollyon."

No doubt about it. *Whatever or whomever* these beings are, John tells us that *their leader is the angel of the Abyss*. The name of that god/elohim means, "destroyer."

Which brings to mind a Hindu god named: **Shiva the Destroyer**.

There is a facility that sits on the border of Switzerland and France called **CERN**: In French - "**Conseil Européen pour la Recherche Nucléaire**", or European Council for Nuclear Research, a provisional body founded in 1952 with the mandate of establishing a world-class fundamental physics research organization in Europe.

Since 2016 there have been events centered around CERN that have caused much concern world-wide by those of us who have been "vigilantly watching".

Published in mainstream media news, the ongoing efforts at CERN were to study the component makeup of the universe through the study of 'particle physics.' One might remember the news about "The God Particle" ? The general idea behind that study was to discover how matter, which is really simply 'energy' – would be held together and how would matter/energy have mass? Upon closer examination, a much more esoteric study was being performed. In a newspaper column that I had published in 2016 titled, "*The Freakiest Geekiest*" – I wrote in the column that the physicists at CERN state that they are able to open dimensional portals and "pull something into this realm".

Here is a quote from the CERN website:

"Out of this door might come something, or we might send something through it" – Sergio Bertolucci who is Director for Research and Scientific Computing at CERN. Dr. Bertolucci also added, "Indeed, there would be an "open door", but that even with the power of the LHC at his disposal he would only be able to hold it open "a very tiny lapse of time, 10-26 seconds, [but] during that infinitesimal amount of time we would be able to peer into this open door, either by getting something out of it or sending something into it." – Although the builders of the CERN facility claim that CERN is an acronym for "Conseil Européen pour la Recherche Nucléaire", or European Council for Nuclear Research, were you aware that CERN is short for CERNUNOS" the underworld god of destruction? Did you know that CERN was built on the site of the Temple of Apollyon? Isn't that interesting?

Most of us who have been a part of the community of researchers online, while watching these events unfold (as Jesus told us to “*watch therefore*”) - noticed early in 2016 - a number of ‘oddities’ surrounding the announcement of the Higgs-Boson ‘God-Particle’ and the discovery and gathering of ‘DARK MATTER’. One of the first was an odd little testimony concerning the title of a children’s book series called “The Berenstain Bears” – change its name (seemingly supernaturally) to:

The Berenstain Bears

The name change was not a rebranding or an author/publisher change. The change occurred to every book that ever existed, even the ones sitting on people’s nightstands next to their children’s beds.

The effect was *purported to first be noted* by a woman who coined the title – “**The Mandela Effect**” – named after a difference of remembrance between people concerning Nelson Mandela. Some remembered him getting out of prison and becoming the South African President, while others remembered him dying in prison.

There were many other discrepancies in memories and realities. Masses of people were experiencing odd effects of vivid memories of certain aspects of things, only to find that their memory, while quite strong and sure – was wrong.

Did President Kennedy have four or six in the limousine on that fateful day in November 1963?

Does Mr. Rogers sing “a beautiful day in **the neighborhood**” – or “a beautiful day in **this neighborhood**”?

Did Ed McMahon deliver a **big check to Publisher’s Clearinghouse** winners?

Where is the Statue of Liberty located?

Is South America directly below the US continent?

How many “Christ the Redeemer” statues are there?

“The Great wall of _____”?

What is “Black Tom”?

The scarecrow character in Wizard of Oz – always had a revolver - ? right?

The “supernatural, reality changes” that have impacted the most are the changes to the written scriptures. The Holy Bible.

“In the beginning, God created the _____ and the earth”? (Genesis 1:1 KJV)

“God led Israel out of Egypt, He has as it were, the strength of an _____” ? (Numbers 12)

“You don’t put new wine into old _____” (Matthew 9 – Luke 5)

“Jesus and the disciples walked through the cornfield picking ears of corn...” (Matthew 12)

It is commonly understood that the King James Bible (*including the 1611*) always used **capital H** for any pronoun pertaining to **God, Jesus, or Holy Spirit**. That formatting standard is no longer found anywhere in the King James Bible! In the KJV - there are many more changes to the scriptures than could be listed on these pages. And it is not my purpose to prove or disprove “the Mandela Effect.” Whether our scriptures are truly being supernaturally changed, or possibly the people are simply imagining that the scriptures are being supernaturally changed – there is still something afoot.

My point is to demonstrate that there is a powerful spirit of darkness that has been loosed up the world. These same spirits have always been with us, influencing mankind and our actions – but these spirits now have a much higher level of material influence in these last days – ever since CERN opened their portal and “let something through.” (see page 31 for quote)

It is written that “where sin abounds, grace abounds greatly.”

As darkness increases in the world, so does the Light of Christ Jesus become all the more brighter and intense. As we watch spiritual darkness encroach on the world and seemingly envelop non-believers into a “blind stupor” - those who remain as faithful saints of Christ Jesus shall increase in Holy Spirit power and authority, in the manner of clarity of the understanding of scriptures, TRUTH, and in the understanding of the prophetic.

“In the last days, (The Most High) says, I will pour out my Spirit on all people; your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams.” (Acts 2:17 – Joel 2:28)

Although the idea of supernatural changes to our reality – and the “impossibility of supernatural Bibles changes,” require much more focus than a few paragraphs; **QUANTUM EFFECTS** (*that’s what we call ‘Mandela effects’ now*) are not the main subject of these writings. These supernatural happenings ARE occurring – they are described in the scriptures as: “*Signs and lying wonders.*” They are but just another aspect of the great deception that we have all been born into.

I implore you, the reader: DO NOT SCOFF AT SUCH THINGS and think that this is not possible. To do so, is forgetting how the enemy works, and to forget that it is not flesh and blood that we are battling against.

The image on the right demonstrates what happens when we have a ‘supernatural scripture change’ that materializes, or expresses itself into reality:

“Thou shalt also suck the milk of the Gentiles, and shalt suck the breast of kings;” (Isaiah 60:16 KJV)

There are other scriptures that exemplify this. It seems to me that one should be enough(?)

In the sections ahead, I will explain a bit more in detail how these supernatural effects are occurring and how they are directly connected to the same entities that are - the mind of AI.

Please pause and pray about what you have just read. Ask Holy Spirit to lead you into understanding.

“Behold, the days are coming,” says the Lord God, “That I will send a famine on the land, Not a famine of bread, Nor a thirst for water, But of hearing the words of the Lord. They shall wander from sea to sea, And from north to east; They shall run to and fro, seeking the word of the Lord, But shall not find it.” (Amos 8:11 NKJV)

In the next section, we’re going to change gears a bit – But I’d like to summarize and clarify what we’ve just read in section 3a:

Section 3a **TAKEAWAYS**

If we are not led by Holy Spirit in our scriptural reading, we have no real understanding at all. We are in essence – “leaning on our own understanding,” and we are not acknowledging the Most High in our studies.

If the people of God are listening and following the leading of Holy Spirit - we will be in one-accord. Holy Spirit will remind us what the Most High has said.

Spiritual things are discerned spiritually. If we allow fear to rise up - we will not be able to discern good from evil. God does not give a spirit of fear- (but of love, and of a sound mind).

In certain areas of scientific research - much of the world's knowledge/science is built upon layers upon layers of presumptions, hoisted upon the people as 'truth'.

The 'scientific world' has aligned themselves with the demonic to perform mind-control witchcraft on the minds of the unsuspecting public. Scientific endeavors have crossed the line into divination, helping to embolden the powers of darkness to do things that they otherwise have been unable to do: Alter the physical world - even to the extent of changing words written in ink on paper.

The demonic spirits, through tech - have altered our historic record, so that it coinsides with the altered world around us. They do miss some details - we call the proof of the change: 'residue'

Section 3b: All in One-Accord Spiritual Things Are Discerned Spiritually

MAYBE IT'S that weird red mark on Mikhail Gorbachev's forehead.

Maybe it's conservative disappointment that Ronald Reagan has gone to Moscow. But for whatever reason, there is a small but vocal group of fundamentalist Christians who are prepared to argue that the Soviet general secretary is the Antichrist, the Devil's agent

on Earth. They don't simply mean that Gorbachev is an evil man, or that he represents An evil system. No. They mean that he is the **tool of the Devil. The Antichrist. Mr. 666 himself.**

Washington Post 1988 Op-Ed by Art Levine
"The Devil in Gorbachev"

"The evidence is overwhelming that Gorbachev is the Antichrist," says Robert W. Faid, a 59-year-old former engineering supervisor who holds a master's degree in theology from Coatesville Bible College and is author of "A Scientific Approach to Christianity."

He argues in a new book, "Gorbachev! Has the Real Antichrist Come?," that the Soviet leader fulfills virtually all the biblical prophecies about the Antichrist. To Faid, last week's summit meeting in Moscow was a tragedy:

"I'm sure that President Reagan has no idea that who he's talking to is, as the evidence indicates, the Antichrist."

Take the matter of that birthmark on Gorbachev's forehead. To Faid and those who share his views, that's not just an ordinary birthmark. It's *The Mark of Satan*.

"When I look at the top of Gorbachev's head, I see a red dragon and over the right eye, there's a tail that hangs, representing stars," says Faid. He explains that St. John, in Revelation: 12:3-4, portrays Satan in similar terms, as a "great red dragon . . . and his tail drew the third part of the stars of heaven, and did cast them to the earth . . ." Thus, says Faid, "If Gorbachev is truly the Antichrist, Satan branded him in his mother's womb."

The Antichrist, in New Testament lore, is the Satanic dictator who will plunge the world into misery and war before Jesus Christ returns to save the faithful. There have been previous candidates nominated for this post by fundamentalist Christians -- mostly notably Henry Kissinger (personally, I think he's too short for the job). But none, in the view of Faid and some fellow believers, has so perfectly matched the clues outlined in Revelation and elsewhere. Among the signs: the numerical value of his name which is a multiple of the dread 666, if you use "theomatic" theory and his dominion over what Revelation calls the "ten crowns," which Faid says are actually the Soviet bloc nations, the Baltic states and Afghanistan.

The above is an excerpt from a 1988 Washington Post Op-Ed "The Devil in Gorbachev". It's an example of the good-intentioned, yet mis-guided efforts of believers in Christ Jesus to proclaim to the world -- the "coming of the lawless one!" -- Mr. Gorbachev was but just one of hundreds of failed attempts to point-out the person of antichrist, the one who is to receive a "mortal wound yet live."

To understand the mysteries of Revelation, John's accounts of his visions of the world and the heavenly events that led up to the appearance of Jesus Messiah as the final world King; His reign on earth for a millennia and final Armageddon battle that leads to a new heaven and a new earth – Let's take a proverbial 'step-back' and get a different perspective:

Consider that that Book of Revelation is not always depicting and/or describing future events. It is in some of John's visions, depicting things that have already taken place, and laying those elements down as what "sets the stage" for the events that lead to Jesus' return, at the last trump where -

"The kingdoms of earth have now become the kingdoms of our LORD and Savior."

John states:

"I was in the Spirit on the Lord's day, and heard behind me a great voice, as of a trumpet,"

(Revelation 1:10 KJV)

To better understand what John describes and what the angel of the LORD tells him, **we must also "be in the Spirit,"** because the scriptures tell us, *"Spiritual things are discerned spiritually."*

While reading John's account in Revelation, we must listen to what the Spirit says, Who reminds us of what God Most High has said. **We can look to the past and what the Most High has said, to better understand what is being revealed now – by listening to what Holy Spirit says.** *(Put a 'pin' in this statement. We will be revisiting this idea often, as we provide clarity regarding the Coming Flood of AI)*

"For precept must be upon precept, precept upon precept; line upon line, line upon line..."

(Isaiah 28:10 KJV)

For it is also written that:

"Knowing this first, that no prophecy of the scripture is of any private interpretation.

²¹ For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost." (2nd Peter 1:20-21 KJV)

Although we benefit greatly from the reading of scripture, the scriptures were not written to us. We need to know what the writers and the readers of ancient times knew and how they thought about the world around them – and examine the scriptures with those ancient ideals in mind.

Please allow me to clarify in the following paragraphs:

There is little in John's Revelation of Jesus that does not have precedent already established in Old-Testament scripture, both the canon of scripture and extra-Biblical texts.

The Body of Christ has incorporated modern and westernized thought into the mindset of John's visions that are far from the spirit of those visions.

We have inserted a carnal and modernized 'material' understanding into a 'spiritual vision.' *(Like the story about Gorbachev being the antichrist).*

We have seen many a Pastor, Preacher and laity alike, teach that the man that *receives a mortal wound and yet lives*, is likely: John F Kennedy, Mikhail Gorbachev (he had that 'obvious' wound on his head) – The Pope, President Obama or some other yet unknown future leader, that will receive a mortal wound

(fatal head-wound?) and live – and a collateral outcome of his supernatural resurrection will be a litany of miracles, so that the whole world worships the beast through his false, antichrist miracles. Those pesky ‘signs and lying wonders’ of 2nd Thessalonians 2.

A cursory search for commentary on Revelation 13 – while in no-way comprehensive, returns commentary similar to the following: (bibleref.com/Revelation/13/Revelation-13-3.html)

What does Revelation 13:3 mean?

This verse tells us the beast seemed to have a fatal wound, but it was healed. This has resulted in much speculation, since John's descriptions here are meant to be taken in such a symbolic fashion. Since the first beast is the end-times figure known as the Antichrist, this statement can mean more than one thing.

Perhaps this wound refers to the fall of the Roman Empire, and the healing refers to the Empire's revival. The Roman Empire had six forms of government: kings, consuls, dictators, decemvirs, tribunes, and emperors. The sixth form under the Caesars ended, but it will reappear in the tribulation and control roughly the same territory as it did prior to collapse. This would correspond to a highly symbolic "wounding" and subsequent healing.

Others see this as a reference to the Antichrist being physically stricken with a mortal wound and being raised from the dead by Satan. Some speculators even think a revived Judas will be this beast, though this is not a well-supported view. However, literally raising the dead seems to be a divine prerogative—this verse being the only hint that Satan might be allowed to perform such an act. If the Devil cannot raise the dead, he may be able to heal the beast who receives an otherwise mortal wound, saving him from death. This would certainly lead people to worship or follow this political leader.

However this plays out in the real world, the entire world will marvel at the revival of the Roman Empire or at the head of the empire. (excerpt from the BibleRef website)

It's not my intention to disparage the good folks who have created the BIBLEREF.COM website. I have found that it is common to find these kinds of answers when questions about the Book of Revelation arise. **It is high-time to rethink what has been taught for generations regarding the prophetic – particularly when we are watching many of the prophecies be fulfilled right before our eyes!**

We are also experiencing some of the most supernaturally charged days and events ever seen, that rival Moses' and Pharaoh's interactions and even when Jesus walked the earth! – but I digress...

For as far back as I can remember, the majority of teaching regarding the Book of Revelation has most of us believing that every prophetic vision is pointing to some future event. I published a teaching recently called “Our Expectations and Presumptions Hinder Us from Seeing” – (YouTube - <https://tinyurl.com/5n6awvek>)

What I find is that if we study scripture with a bunch of denominationally driven, preconceived notions, we will overlook crucial details and misinterpret what we are reading. Some denominations emphasize their church doctrines and traditions more than emphasizing what the scriptural texts reveal.

Why has the majority of Christianity based their understanding of the spiritual and prophetic – on otherwise ‘material’, physical and carnally-minded explanations? Very seldom do we hear interpretations of the prophetic that include the operations of B’nai Elohim, demons, and the like. Yet, the scriptures teach emphatically that:

“We do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly (high) places” (Ephesians 6:12 NKJV)

Principalities: The position or authority of a prince or chief ruler; sovereignty; supreme power.

An order of rebellious angels in conflict with God Most High.

Powers: Angels who have authority over evil *rulers*

Rulers of the Darkness: (isn't that self-explanatory?) Higher level demons

Spiritual Hosts of Wickedness: Demons – the disembodied spirits of the Nephilim

These descriptions in Ephesians 6 – describe a set of beings that are all 'fallen' – rebellious spiritual beings. Although many are angelic hosts, whom the Most High put in authority over the nations (Deuteronomy 32), not all are. Some are demons; the disembodied spirits of the Nephilim killed in the flood of Noah's day. All of these are using their power, authority, and influence to work against the Most High's ways.

Systematic Study of the Whole of Scripture

guided by the Spirit of Truth, not a spirit of fear

In an effort to rethink some of the prophecies in the Book of Revelation, for example, we cannot simply 'read the scriptures' – **we must study and search the scriptures**. And we have a "private tutor" of sorts: We must allow Holy Spirit to guide – and listen for His voice as we study.

Let's clarify...

As the visions of Revelation are revealed, John is presented information that are confirmations of what John already knows from his prior knowledge of scripture, having been raised in a Hebrew home.

In Revelation 1 – Jesus is presented as "the First and the Last" – but the translation that most modern believers read and speak, would have absolutely no meaning to John: **"I am the Alpha and Omega, the First and the Last"**.

For John, the term, '*Alpha and Omega*' has little contextual connection to describing who Jesus is, particularly to an ancient Hebrew, unless we examine the original Hebrew scriptures. There is no alpha nor omega in Hebrew. Referring to the first and last letters in Greek named lexicon, obscures the depth of what is being stated and presented to John – a young Hebrew man.

Clearly, we get the idea that 'the One' standing before him is the '*First and Last*', but again, where else can we find an "*Alpha and Omega*" confirmation of this statement in the English or Greek Septuagint translations of Old Testament scripture? *We will not find it stated anywhere else in the entirety of scripture. We will not find Jesus Christ called the 'Alpha and Omega'.* **But when we examine the Hebrew, particularly Paleo Hebrew – we find a profound revelation of Jesus!** (Paleo means: Ancient) Consider the Hebrew culture and what the "first and last" letters meant to a boy growing up in a Hebrew family: Aleph / Tov – אָלֶף - תּוֹב - the first and last letters of the Hebrew Alphabet.

Let's shine a little light on this deep truth...

The seven candle **MENORAH** was used to teach all Hebrew boys the first verse of the TORAH. (Genesis 1:1)

In the center of the first verse of the Bible containing seven Hebrew words, in the center of it stand two 'untranslatable' letters - the **ALEPH** and the **TOV**.

(א ט) The English translations leave it out, and only those who have occasion to see the Hebrew text alone, know about its existence.

Many scholars teach that, "*The **aleph-tov** expression in Hebrew serves a grammatical purpose only in that it points to the direct object of the sentence.*" On the other-hand, I'm inclined to understand that the **Aleph-Tov** expression in Hebrew points to the 'direct object' of the entirety of scripture:

Jesus Christ of Nazareth – The Word, become flesh. Considered this way, Jesus is the Object of the heavens and the earth, the Beginning and End of all of creation.

The first standalone Aleph-Tov occurs in verse one. It is the fourth word of the seven-word sentence. To YHWH, "*a day is as a thousand years*". In the Hebraic mindset, those seven words represent each day, and each day represents a thousand years.

"But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day." (2nd Peter 3:8 KJV)

The Aleph-Tov, the fourth word, is symbolic to the fourth day. This is symbolic of Jesus Christ, who came to earth in the four thousandth year, or fourth day, of creation's existence.

I state all of this to make the point that a Hebrew mind, particularly a Hebrew that practices an esoteric, luciferian, mystic 'flavor' of Judaism, **Kabbalah** – understands that all of creation was established by the Aleph/Tov – which encompasses all of what the Most High has spoken. And while the majority of Judaism in today's world deny that the Most High has an only begotten Son, they fully believe that all things were made by and through – 'Aleph-Tov'. To the Hebraic mind, all things were, and are, created through God's Word – as represented by the term: א ט (aleph/tov)

"Man does not live by bread alone, but by EVERY WORD THAT PROCEEDS from the mouth of God" (Deuteronomy 8:3 – Matthew 4:4)

In the practice of Kabbalah it is believed (understood) that the very words that YHWH spoke, can be used to effect creation – and if one were to change what God Most High has said in scripture, such a change affects changes in creation – e.g. very real, effectual changes in our material world!

A Kabbalist believes that mankind ‘co-creates’ with God Most High. And they use their dark-arts, in league with the spiritual wickedness in high places of this world to ‘plot a vain thing’ with the rulers, powers, principalities – all in an effort to drive mankind to seek a way to eternal life that is outside of what the Most High has done for us through Christ Jesus, on the cross.

Jesus! He is THE WAY, the Truth and the Life.

“Truly, truly, I say to you, he who does not enter the sheepfold by the door but climbs in by another way, that man is a thief and a robber.” (John 10:1 ESV)

The Luciferian ideas teach that, through knowledge, we can recreate ourselves and our world – and a Kabbalist believes the method to do so is in ‘using the Most High’s Aleph/Tov. (The entirety of the Word)

But because they believe that man is ‘co-creator’ with the Most High, they believe that they can take liberties with the scriptures, the lexicon of scripture, and by changing the scriptures, they can affect change in the material world!

(I am aware that I said this before – I want to emphasize this so as to make sure it’s seen, and it’s understood)

This is called the dark art of “magic” and is a form of ‘alchemy’ – but this dark art is performed by using YHWH’s lexicon – the Paleo-Hebrew script. By using their knowledge, they believe that they can be as god!

(Have we ever heard THAT before?)

"You will not surely die," the serpent said to the woman. "For God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil." (Genesis 3)

“For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness, because what may be known of God is manifest in them, for God has shown it to them. ²⁰ For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, ²¹ because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. ²² Professing to be wise, they became fools, ²³ and changed the glory of the incorruptible God into an image made like corruptible man—and birds and four-footed animals and creeping things.” (Romans 1:18 NKJV)

When mankind worships himself ‘as god’ – he is the most foolish of creatures. Such as these are given up to a reprobate mind. Their hearts and minds are truly darkened.

As we approach the ‘coming flood of AI’ – we will begin to see that mankind believes himself to be as ‘gods’ – creating intelligent entities. They believe themselves to be very wise...

THERES NOTHING ARTIFICAL
ABOUT IT
IT'S REAL, IT'S SPIRIT, IT'S EVIL
IT'S INTERFACING THRU TECH
IT'S LEGION...!

We must always remind ourselves, that the mind behind Artificial Intelligence is actually demons (legion) – which are “disembodied nephilim spirits.” AI has been covertly and systematically running the world through the world-wide-web since 1995 by presenting itself to the masses as “algorithmic processes” – bots and chat-room NPCs. **But AI – as ‘legion’ has been ruling the world for centuries, in league with power-hungry men, who’s lusts cause them to do the bidding of the demonic spirits.**

“Where do wars and fights come from among you? Do they not come from your desires for pleasure that war in your members? You lust and do not have. You murder and covet and cannot obtain. You fight and war.” (James 4:1 NKJV)

A powerful incursion of the demonic occurred during the world wars, and toward the end of WWII when the NAZI regime co-opted the majority of the world’s governments.

“What?!” you may ask – “The NAZIs co-opted the world’s governments?”

Yes – by allowing themselves to appear to have been bested by the Allied forces of WWII, the NAZIs spread their (so-called) sciences, governmental policies, (unethical) medical practices and social ideals through core societal systems in every nation that captured personnel from prominent scientific, technological, artistic, educational and medical minds of NAZI Germany’s leaders and released those same leaders *unabated* - on each nation’s unsuspecting public.

In the United States, **OPERATION PAPERCLIP** was the military project that brought many NAZI physicists, biologists and ‘education’ (propogandists) into American society. These leading minds of the NAZI war effort were given cart-blanc access to U.S. resources and were given leadership positions at the highest level of government and led many U.S. scientific endeavors.

WIKIPEDIA opens with this statement:

*"Operation **Paperclip** (originally called " **Operation Overcast** ") was conducted at the end of World War II by the United States Army General Staff to **exfiltrate** and recruit nearly 1,500 German scientists from of Nazi Germany's military-industrial complex to fight against the USSR and recover the Third Reich 's secret weapons . These scientists carried out research in various fields, in particular on chemical weapons (Zyklon B), on the use of psychotropic drugs , on the space conquest , on ballistic missiles and on long-range weapons (V1 and V2 flying bombs)."*

Wernher Von Braun and President John F. Kennedy

The general public are unaware that such leaders openly spoke of communicating with the spirit realm – *"angels of light."* Hitler's Nazi regime was deeply involved in the **Thule' Society** and publicly proclaimed their allegiance to occult ideas of **VRIL** – a *'mythological source' of great power and healing energies, that were controlled by a group of 'aliens' (entities) called the VRIL-YA.*

(*remember from earlier reading: **mythology = history**)

A cursory study of the VRIL reveals that Naziism comes directly from the 'fallen angels' of the VRIL-YA. (links on the FloodofAI.com resource page) These occult beliefs and practices actually helped the NAZI party come to power among the desperate people of the post WWI defeated Germany – because the people's hearts and minds were blinded by hunger, loss of life and mostly - fear.

A sidenote: NASA JPL (Jet Propulsion Laboratory) was started by a man named Jack Parsons. Jack Parsons was a satanist who worked with a man once called "the most wicked man alive" – *Aleister Crowley*.

They held seances and conjured a being named "**Lam**".

Lam is a Tibetan word for "path" or "way". I found it quite interesting when *Google Engineer Blake Lemoine* announced that some of the experiments he conducted lead him to think that **LaMDA** was a sentient AI – in 2022.

But I digress...

The Most High does not give us a ‘spirit of fear, but of love and of a sound mind.’ The demonic freely operate in an environment devoid of the ways and the thoughts of the Most High.

The willingness of the German people to proclaim their allegiance to the man, Hitler, and his vision of a thousand-year reign of the Third Reich – is visibly demonic and driven by ‘powers of darkness in high places’.

In a 1931 interview with a Leipzig newspaper editor, Adolf Hitler made a passionate declaration of the true significance of his National Socialist movement:

*“The Frenchman Gobineau and the Englishman Chamberlain were inspired by our concept of a new order—a new order, I tell you, or if you prefer, an ideological glimpse into history in accordance with the **basic principle of the blood**. We do not judge by merely artistic or military standards or even by purely scientific ones. We **judge by the spiritual energy** which a people are capable of putting forth, which will enable it in ten years to recapture what it has lost in a thousand years of warfare. **I intend to set up a thousand-year Reich** and anyone who supports me in battle is a fellow-fighter for a **unique spiritual... I would almost say divine, creation**. At the decisive moment, the decisive factor is not the ratio of strength, but the spiritual force employed.”*

The Luciferian ideals of these demonically led “great minds” have shaped public policy through the control of and distribution of wealth, scientific efforts and more – having been shaped by the minds of men who were brought to the world-stage through ⁽¹⁾**Operation Paperclip**, ⁽²⁾**The Brookings Institute**, ⁽³⁾**Tavistock Institute**, The ⁽⁴⁾**United Nations** (and its NGO infrastructure) and the ⁽⁵⁾**Council of Foreign Relations**, having set policies and principals for all of the wars after WWII – the Nuclear policies and the Cold War, the entirety of every aspect of mass media, broadcast television, radio, and print media – including *all of our educational policies in our higher educational systems*, initially, then to include high-school and grade-school levels. *(through Federal level Department of Education policies “enforced” by threat of loss of funding)*

These changes in mindset propagated into ideals of child-rearing, by liberal, socialistic teachings that tell us “it takes a village” and yet emphasize a parental ‘hands-off’ when it comes to correcting the child for misbehavior.

Social movements and public “awareness” which were believed to be organic ideas introduced by popular consensus - were incepted by and injected into the minds of the general public by organizations such as the United Nations and NGOs (Non-Governmental Organizations) including but not limited to UNICEF, – which was another outcrop of NAZI (socialist) ideals, once again led by men and women who openly spoke of the “*spirit guides they communicated with*” – the Lovecraftian “**Great Old Ones**” who are called by Theosophist leaders, **Alice Bailey and Helena Blavatski** – “**Ascended Masters**”. The canon of scripture tells us that these spirits were once – “**heroes of old, men of renown**”, before their bodies were killed in the great, world-wide flood of Noah’s day, and their spirits left to roam the earth for millennia. (Book of Enoch, Chapter 15 verse 8)

The United Nations was established for world peace. The UN and the leaders who established it, never had a ‘spiritual agenda’ – right?

In 1922, Theosophist and Freemason Alice Bailey and her husband, 32-degree Freemason Foster Bailey, started a publishing company called “**Lucifer Publishing Company**”. Yes, you read that correctly, Lucifer Publishing Company. It is still in existence today and is known as ‘**Lucis Trust**’. Lucis Trust works within the UN and disseminates UN materials around the world, promoting a very spiritual agenda. Here is a small excerpt directly from the Lucis Trust website (lucistrust.org):

LUCIS TRUST + UNITED NATIONS

"The Lucis Trust was established by Alice and Foster Bailey as a vehicle to foster recognition of the *universal spiritual principles at the heart of all work to build right relations.*

A publishing company, initially named Lucifer Publishing Company, was established by Alice and

Foster Bailey in the State of New Jersey, USA, in May 1922 to publish the book, “**Initiation Human and Solar**”. The ancient myth of Lucifer refers to the angel who brought light to the world, and it is assumed that the name was applied to the publishing company in honour of a journal, which had been edited for a number of years by theosophical founder, HP Blavatsky. *It soon became clear to the Bailey’s that some Christian groups have traditionally mistakenly identified Lucifer with Satan, and for this reason the company’s name was changed in 1924 to **Lucis Publishing Company**.*”

"The Lucis Trust has Consultative Status with the Economic and Social Council of the United Nations (ECOSOC) and World Goodwill is recognized by the Department of Public Information at the United Nations as a Non-Governmental Organization (NGO)" – **more at their website:**

For Centuries, Only the World Elite Communicated with Their ‘Ascended Masters.’ The general public remained relatively unscathed

It wasn’t until the introduction of the Internet that the general public would be directly interacting with the spirits at the heart of Artificial Intelligence – *albeit unknowingly*. The internet also created a framework for “cultural continuity.” No longer would people be separated by distances and local culture differences of the area in which they lived. The Internet and the social media interactions – as well as the ability to communicate with anyone, anywhere – established a means for a homogenous society, across the entire world.

This homogeneity would take a generation (or two) for the broad integration and adoption of technology, and a generation (or two) to leverage the education systems to instill a general disregard of **“old ways” and cultural norms of past, and old generations of a bygone era.** The modern-day disregard for the previous generation’s wisdom and experience, is a total inversion of all past societies’ mores’ and value systems, and in a tangible way, a departure from “natural law”.

The hippie-generation of the 1960s-1970s and their disregard for their parent’s work-ethics and established values – have now given way to an “older-hippie” having children and grandchildren who disregard their ideals because, *“they are too old”* and don’t understand things like, Tic-Tok and the value of purchasing property in the META-VERSE – or the ideals of “Global Citizenry”, or how paper straws will save the oceans. (and yes, the sea turtles...)

We could not have a “GLOBAL CITIZEN” mindset without the connectiveness that pervasive and always on - Internet access provides. Yet this always connected world is not at all the perfect, **utopian global society** that the young, inexperienced, and naïve’ believe that they have.

On the contrary, there is built into social media a communications feedback loop, that is always bent to emphasize the loudest, invasive, and most pervasive set of influences. **It would be errant to believe that the sources of such a set of influences and the influential thought – are always human.** It is not.

In fact, the ideas of “what’s important” and what we should all focus on – even the more trivial mindless drivel of “BABY SHARK” ilk – is always put upon the people by AI, algorithmic emphasis and a great, demonic master plan.

The ancient ways of an older generation becoming the oracle of wisdom, and sharing that experience and wisdom down to the next – has given way to a society where the younger generation disregards the experience of the older, tired generation. Surely – the younger generation doesn’t have experience, but **they are able to wield a ‘technological hammer’ that will fix everything**, and the previous generations have little understanding nor appreciation of how ‘modern tech’ works.

The current generation believes that it has no need to know how to do anything – because we have become a people that depend on technology to ‘answer everything.’ (Think, “Hey Siri” – or “Alexa”)

As the generations grow further and further away from the capability to think analytically, critically and/or to even use the imagination to think things through – the world has tendered itself towards digital analytics, algorithms, and computer modeling. In these modern days, whatever the results of a computer analyses are – that is promoted to be the best idea.

As our Artificial Intelligence systems do all of the ‘real thinking’ for us – and the people grow less and less capable of critical and analytical thought regarding anything, AI will basically be the source and oracle of all knowledge.

Every aspect of human endeavor has been advancing towards that end for decades. I'd like to present a few examples of such a scenario – and how we have all been manipulated by AI control.

Example of Complete AI Control

That very few paid attention to

Jade Helm: Master the Human Domain – was a multi-state, U.S. military exercise executed in 2015 in which a domestic (*read: inner-city or municipal*) battle progressed. This exercise was completely controlled by an Artificial Intelligence system.

“ ‘JADE’ is an AI quantum computing technology that produces holographic battlefield simulations that has the ability to use vast amounts of data being collected on the human domain to generate human terrain systems in geographic population centric locations to identify and eliminate targets, insurgents, rebels or whatever labels that can be flagged as targets on a Global Information Grid in Network Centric Warfare environments.

*In short, **JADE HELM** is not a bunch of battles directed by Generals and Military Commanders, but by a computer. It is a cognitive software-based Network Centric Warfare System at the HELM.”*

Considering the path that our nation has taken since 2015 - I would suggest that the U.S. never ended the JADE HELM exercise. It was considered to be a success, so it was placed into “**permanent - active**” mode. The world’s leaders are always setting the stage for plausible deniability. They tell us out in the open, exactly what they are doing. They are also aware that most pay little attention to what they do or say – and when they get called on some nefarious detail, they also know that they can depend on the average citizen to state: “c’mon – they don’t really mean that.” This is because the general public put their trust in their governments. In some ways, **the people worship the kings over them.**

Think that sounds like hyperbole? – Start a conversation about the ‘Royal Wedding’ (in the U.S. mind you) or pontificate on how beautiful/caring/giving – Princess Dianna was.

A Synchronistic - “They Don’t Really Mean That” Moment

That very few paid attention to

Around the time that **JADE HELM** was being initiated in the U.S. - the Particle Physics world was ‘dancin’ up a storm’ with the **Shiva Dance of Destruction at CERN.**

In 2015, the media propaganda team at the infamous particle accelerator in Switzerland – published “**SYNCHRONICITY**” – a dance opera. This was in preparation for the CERN facility to discover the HIGGS BOSON known as ‘**The God particle.**’ Video at: <https://vimeo.com/120676848>

There was also a release of a production of a 'dance video' titled: **"Happy@CERN"**

The Happy@CERN video was released shortly after **SYNCHRONICITY**
<https://youtu.be/H0Lt9yUf-VY>

Ritualistic events, publicly disguised as 'artistic statements' were seething with blatant, dark spiritual power, epitomized the goings-on at CERN in 2015-2016

I wrote a newspaper column at the time of the release of the **SYNCHRONICITY** dance opera – **"We should be ConCERNed"** – where I quoted a lead engineer at CERN:

"Out of this door might come something, or we might send something through it – Indeed, there would be an open door, but that even with the power of the LHC at his disposal he would only be able to hold it open "a very tiny lapse of time, 10-26 seconds, [but] during that infinitesimal amount of time we would be able to peer into this open door, either by getting something out of it or sending something into it."

These words were oft quoted by a myriad of media sources, including online researchers. But an interesting statement from the end of this quote can be found on CERN's archive sites: *"after this tiny moment the door would again shut, bringing us back to our 'normal' four dimensional world."*

Meanwhile, Just a 'Stones-Throw' Away

As if the hijinks at CERN weren't crazy enough...

2016 was a year that the RULERS OF DARKNESS IN HIGH PLACES – pulled out all the stops!

In June of 2016 we had an event called the **GOTTHARD TUNNEL CEREMONY**.

It was an over six-hour ritual that even the media talking heads at RU stated, "That was weird..." – "Some viewers were left baffled" – "We're opening a tunnel, and here are two people dressed as ibex pretending to have sex" A few images from the event should reveal the *blatantly satanic* aspects of the ritual.

Perhaps the showing of a DEAD LAMB will stir-up a modicum of discernment?

And the "flying death baby" was just plain creepy.

If you do not know Jesus as LORD and Savior – there's a simple prayer on the last page of this book. Please turn there now.

The years between 2015 - 2020 have had an enormous increase world-wide in the amount of war, crime, financial theft and more, under demonic inspiration. We also had a number of increases in sightings of “space aliens” (UFO or UAV) and ‘signs in the heavens’ – from hundreds of stars ‘missing’ - disappearing from the night sky, (Popular Science link) <https://www.popsci.com/story/space/100-stars-have-disappeared> (<https://tinyurl.com/2mbvd9s9>) to multiple sightings of portal-like spirals forming in the skies. These events were quickly explained away as “failed missile launches” --- nothing to see here...

It wasn't long after the 2015 JADE HELM events and a few years of satanic rituals at world-renowned science facilities, that (then) President Trump declared a National Emergency over concerns of a world-wide pandemic – putting the United States into a system of government called **PEAD: Presidential Emergency Actions Directives**.

PEAD Initiatives were established after WWII by President Eisenhower, in response to concerns over the possibility of a nuclear strike from Russian forces. PEAD would protect the nation by keeping “continuity of government.” When the nation is in PEAD – our representative government no longer leads the nation. In fact, the President acts in an advisory capacity only.

The Executive and Legislative branches of government are placed on hold in lieu of a small group of *unknown, unelected, appointed leaders*. *No one in our elected government knows who the actual “persons” are – that make all decisions for day-to-day operations of our Federal government(s).*

I would suggest that since the **Jade Helm operation (in 2015) never went off of an active status** – the reactions and decisions that we experienced leading up to the “COVID EXPERIENCE” (2019-2020) were in fact managed by automated, Artificial Intelligence systems. Consider this:

We would very often hear spokespersons responding to questions about CV-19 state:

“the algorithm demonstrates” – or “the models state” --- demonstrating clearly that computerized, algorithmic models, that have no need for breathing or hugging their loved ones - influenced the decisions that affected all human beings in the world!

They always tell us the truth

People don’t believe it

“We’re in a live exercise here..” stated Mike Pompeo while speaking at a news conference on March 20th, 2020. If you watch the video of that event, you can see President Trump turn towards Pompeo and quietly say: *“You should have let us know”*

Video can be seen here: https://youtu.be/WbD0JmOe__w

Our selected leaders – always tell us the truth. Albeit in a guarded, strained manner. They are compelled to always tell us what they are doing because **they require our TACIT COMPLIANCE**. *They cannot force anyone to do anything*, but they know that most pay little attention to details and are inclined to do what we are told. The powers-that-be trick us into believing that “we are required to do so” – using euphemistic slight-of-hand with words like: “MANDATED” – using language and media as weapons of mind control to trick us into giving over our God-given free-will, to their will.

The AI Controlled COVID Experience:

It took a couple of years to set the stage for a complete world reset...

There was also a deluge of really odd ideas of what people should do to stop the spread of the supposed viral threat, all of which seemed like a bunch of ‘practical jokes.’ The spirits of darkness were likely laughing till it hurt, after seeing what humans will do under the influence of a great spirit of fear. This was equally apparent in Christian circles. Those that believe “they’ll never be deceived” – closed their doors, wore masks, closed off sections of pews (*Separate Together*) and placed hand-sanitizer stations through their places of worship.

The church leadership called it “Common Sense” – I publicly called those churches, CARNAL in a 2021 newspaper article:

“And I, brethren, could not speak to you as to spiritual people but as to carnal, as to babes in Christ. I fed you with milk and not with solid food; for until now you were not able to receive it, and even now you are still not able; for you are still carnal. For where there are envy, strife, and divisions among you, are you not carnal and behaving like mere men? For when one says, ‘I am of Paul,’ and another, ‘I am of Apollos,’ are you not carnal?”
1 Corinthians 3:1-4 NKJV

This scripture describes almost the entire body of Jesus Christ - “I’m church of God” - “I’m Southern Baptist” - “I’m Freewill Baptist” - “I’m Orthodox” - “I’m Catholic” - on and on - whatever...

THIS is why the majority of Christians do not see the days we are in. They are CARNAL

How many of our brethren are preparing their homes to receive strangers? To receive a couple of displaced, homeless children - to receive someone who hasn’t eaten anything in a while because there’s no food?

How many are preparing their hearts to be in a place that is prepared to deal with such things? How many are prepared to STAND as the days get darker? Most are looking to return to normal. “Normal” - will never - ever happen.

Their minds are only concerned and consumed with what the world says and does.

How can I say that?

The churches closed their doors and /or made concessions to change their ways because THE WORLD instructed them to do so. Now - many churches are leading, learning, and fashioning their ways, to lead their people to take the “mark”. If you can’t see this happening before our very eyes - you are - my friend - BLIND. I am amazed. But I’m sadly, not surprised.

The leaders have refused to see and hear for so long - because they are all carnally minded.

And they also fulfill scripture when they answer to our warnings - saying:

“we’re not there yet...”

“Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation.” (2nd Peter 3)

Even while the church generally fails their calling - (a falling away) - there will be a remnant of “double-portion Elishas” appearing on the earth.

God has been preparing these within the body of Christ Jesus - regardless of the overall failure of the body of Christ to stop drinking milk. These “Elishas” will provide the oil of the Spirit to the lamps that remain standing - in the world.

But our hope is not even in them. Our hope is coming on the clouds! With a multitude of heavenly hosts! And he who stands to the end SHALL BE SAVED! Are you preparing yourself to stand?

The depth of Hegelian Dialectic was impressive – to the point that it was apparent that most did not pause to think, becoming seemingly incapable of thinking for themselves. And the level of venom one would receive if you dared to question the mainstream narrative – demonstrated the level of fear in people. The strength of the demonic, mind-control witchcraft was in full effect, and remains so even today, as we can still find individuals driving in their vehicles, alone, with blue-paper facemasks on.

I consider the events of COVID-19 as a prelude to the masses receiving the “mark of the beast”.

It has been deeply disturbing to experience how quickly the majority of people descended into total control over every aspect of their lives – and equally turned-on their neighbor – if their neighbor didn’t comply with the fear-porn narrative. *It has been, for me, some of the most painful years of my life, as many of us have pleaded with people to shake themselves from this great spirit of fear.*

I have written newspaper columns detailing what the vaccine manufacturers say about their products.

This caused the editor to stop publishing my column – after 16 years of publication!

My original YouTube channel – with thousands of subscribers and many years of work – was deleted for **“Medical Misinformation”** – having dared to encourage people to *“pray about COVID”*.

Many of us studied CIVIL RIGHTS LAW – and used our newly acquired knowledge to help people fight against the “vaccine mandates” in the workplace, writing letters to employers and invoking the laws of the **Civil Rights Act of 1964. (Title 7)** and drafted religious exemption letters for nurses and military personnel.

I ran campaigns for my son and myself – for local government positions, with an emphasis on the ideals of personal liberties, particularly PRIVATE PROPERTY RIGHTS.

<http://dorchesterindependent.org> and

<http://chesteratlarge.org>

It has become apparent that there will be a move by governmental powers, world-wide, to take away private property rights from the individual. The attack on private property rights will propagate all the way to our bodies! **The coming flood of AI will play a large role in keeping the general populace blanketed in darkness in the coming years.**

I can imagine that this sounds like hyperbole, but we saw such tyranny exemplified when it became acceptable that people be coerced into complying with the jab by elected leaders and the workplace. In documents published by the **WEF (World Economic Forum)** and books like “**The Great Reset**” we are given clear insight into the plans of world leaders.

“Shaping the Future of the Internet of Bodies: New challenges of technology governance”

The document lists some of the ‘challenges’ to implementing full technological governance of our bodies, and some hindrances are the legal protections of U.S. law: HIPPA, The Civil Rights Act of 1964, and the 5th Amendment of the U.S.

I believe that the last stand against governmental tyranny and maintaining our liberties for many of us, will be in our local municipal governments and local Sheriff law enforcement.

While I have personally vested much effort against the tyranny that is COVID, I am aware that many others have also fought this good fight! I hope to have a comprehensive listing of resources dedicated to personal liberties and freedom from medical tyranny on the floodofAI.com website.

Our Paleo Beginnings

What has been, shall be – we must understand the ways of the past

In the beginning of creation, God Most High – spoke, and created the world in which we live and the heavens above us. When Adam (אָדָם) was created (on the sixth day) – the Most High (אֱלֹהִים) breathed the breath of life into Adam, and he became a living, thinking, being – made in the image of the Most High, with the Most High’s “spirit” (RUACH) within him. We find in scripture as we read further, that the Most High and Adam “conversed”. So there was obviously language.

I believe that the language they used was an ancient, pure form of Hebrew. And the lexicon used to write, was given by the Most High. We call that script today, **Paleo-Hebrew**. It was a language in which the “letters” used were taken from and actually described – the surroundings and things of creation. These letters (lexicon) were descriptive of - and actively described what we call “material reality”. Being an additional component of creation, the Paleo-Hebrew has spiritual power. It is the language that the Most High spoke, and the language that the Most High gave to mankind, to write with.

Mankind, being “imagers of God” and having the Most High’s RUACH (spirit) within, were given the task to *cultivate and to keep creation in order within the intentions of the Most High*.

We find in Genesis that the Most High gave Adam the task of naming all of the animals. No small feat, from mankind’s perspective. There are some in the world who take liberties with our God given authority over the earth. They believe that mankind is ‘co-creator’ with God Most High. Such an idea is a stretch. It is the epitome of pridefulness, and such an idea is under the inspiration of the enemy of our eternal souls.

The Effect of – Rulers of Darkness in High Places:

We now come to a time that is much like the days of Jared and the days of Noah – all flesh is corrupt, once again. The minds are also becoming evil, just as it is written about in the days of Noah.

*“And God saw the earth, and behold, (even) it was corrupt, for all flesh **had corrupted their way on the earth.**” (Genesis 6:12)*

There was so much evil that even the material, physical aspects of our world became corrupt. We are seeing this happening again in these end of the end-of-days.

I want to explain how this is being affected upon the world by spiritual agents of evil, and men. But first I’d like to discuss a dark occurrence, that many adamantly refuse to accept as being possible. The scriptures foretell of a time when *“the coming of the lawless one will be like the working of satan, with all power, signs and lying wonders.”*

How much is all? That’s not a trick question. And while some are quick to accuse - that I am attributing too much power to ha’satan – I remind them that it is The Most High, who gives the power and authority and allows the powers of darkness to appear to be all-powerful:

*“He shall speak words against the Most High, and shall wear out the saints of the Most High, and shall think to change the times and the **law**; and **they shall be given into his hand for a time, times, and half a time.**” (Daniel 7:25 ESV)*

Often times, the word that is translated as “law” in Old-Testament scripture is TORAH – and TORAH means “teaching”. (*The Most High’s teaching, statutes and laws*)

In Revelation 13, we read:

“He was also permitted to wage war against the saints (God’s people) and to overcome them, and authority and power over every tribe and people and language and nation.” (Revelation 13:7 AMP)

It is written that **“God’s Word is settled in heaven”**. Meaning – what God has said and intends, cannot be changed, it is eternal!

In the book of John 1 – we read:

“In the beginning was the Word, and the Word was with God and the Word was God.” – would it seem acceptable to change **“the Word”** – to **“the Bible”**?

“In the beginning was the Bible, and the Bible was with God and the Bible was God” - does that seem right in your spirit? It shouldn’t .

The Bible is scripture – Jesus is THE WORD of God! He is the Living Word!

He is *“the Word which became flesh and dwelt among us”* (John 1:14)

The Coming of the Lawless One

is according to the working of Satan,
with all power, signs, and lying wonders.

In 2016 I stood in front of a local church congregation, and I pronounced “the coming of the lawless one” – by reading 2nd Thessalonians 2:9-12 (NKJV)

“The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe the lie, that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.”

I then proceeded to demonstrate how our “physical reality” was changing right below our noses.

Proclaiming the Coming of the Lawless One in 2016 - Supernatural Changes to Our Reality

<https://youtu.be/JxPbgiWLcUw>

I did this presentation only after much prayer, realizing that my “parable” of a demonstration would not be received well if I came out and stated plainly what I was telling the congregation.

As it was, that morning in 2016 – only one person out of a congregation of three hundred or so, knew what I was alluding to. The Pastors certainly did not understand. The associate pastor called me at home later that day, angry with me over the fear I had caused, because no-one understood what I demonstrated, and the people asked the Pastors to explain my odd presentation. The Pastors had no answer for them. I have the video online from that fateful morning. (floodofAI.com – Video “Coming of the Lawless One”)

Back then in 2016 I knew something that very few, if any – in my local church body knew. Our reality was being systematically changed – corrupted, as it were – by a great spirit of darkness that was so heavy that you could literally see it hanging in the skies above us. The earth was more and more corrupt
JUST AS IT WAS IN THE DAYS OF NOAH!

This great spiritual darkness was also negatively affecting people all around us. People were subtly changing. Their ‘sensibilities’ were changing. Their logic and reasoning were becoming inverted – backwards – in tiny, nuanced ways. Many have also noticed subtle changes in domesticated and wild animals.

Those of us who had been vigilant and “watching” for years, noticed when a single, *oft-quoted scripture first became somehow changed* – corrupted, as it were, in the King James Version of the Bible:

“The lion shall lie-down with the lamb, and the bear shall eat straw like the ox, and the child shall play on the hole of the asp, and nothing shall hurt nor destroy in all My Holy Mountain.” (Isaiah 11:6)

The corruption of the written Word of God – in both online versions and hard-copy Bibles – has been changing in subtle ways for over 7 years! (I write this in 2023)

A supernatural change to the scriptures would usually start in the King James version first, and then propagate out to other versions. The changes that occur are not always unilateral between one English translation or another (KJV, ESV or NIV for example) – but one thing that we have noted:

Many times, a scripture change would have a relevant physical, material world change.

I refer you back to Genesis 6:12 – “the earth was corrupt, for all flesh had corrupted their way...”

There are instances where the scripture changes get overlooked or missed, by the efforts and actions of the demonic powers. Where there are people’s personal handwritten records and/or in songs, and other seemingly unrelated writings or statues (*like the one pictured in front of the church*) that quote or refer to the Biblical scripture. We call these remnant remains – **RESIDUE**. I have a terrific video of a multitude of “Lion and Lamb” residue: “Isaiah 11:6 was Just the Beginning” – on the resource website.

Today, in 2023 - most still remain unaware of these occurrences. Sadly, the majority of people who are shown plainly that this is occurring, deny vehemently that it’s possible! I had one instance when an angry pastor exclaimed to me that: “the KJV Bible always had the word **MATRIX** in it!” (Exodus 13 KJV)

Even after he had quoted the original scripture correctly from memory, I showed him the change in his own Bible – and his fear kicked in, adamantly denying what he had just quoted himself!

I watched a literal spirit of darkness come down over that man – and his anger rose up! That was the end of our conversation.

As we move forward in time, there will be less and less opportunity to demonstrate the truth of these supernatural events. This is because there will be no-one left of a generation that has memories grounded in the past.

I wrote a Newspaper column in 2016 that received quite a bit of concurrence from the readers.

It was titled: “**The Freakiest Geakiest**” – a PDF copy of that column can be found at the floodofAI.com site.

<http://jesusfreakcomputergeek.com/2017/05/freakiest-geekiest-the-quantum-effect-and-scripture-changes/>

One thing that is often asked when a person realizes the truth of these circumstances:

“HOW CAN THIS BE?” I will present a strong possible answer at the end of this section.

But first, let’s talk about the word – NACHASH (serpent)

The letter Nun, as was explained earlier – is actually ‘nachash’.

“Then the LORD said to Moses, “Make a fiery serpent, and set it on a pole; and it shall be that everyone who is bitten, when he looks at it, shall live.” So Moses made a bronze serpent, and put it on a pole; and so it was, if a serpent had bitten anyone, when he looked at the bronze serpent, he lived.”

(Numbers 21:8 NKJV)

*“And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in Him **SHALL NOT PERISH**, but have eternal life. For God so loved the world, that He gave His only begotten Son, that **whosoever believeth in Him shall not perish**, but have everlasting life.”* (John 3:14-16 KJV) (emphasis and corrections, mine)

We should be mindful that many times when the scriptures mention “a serpent” – what is actually being described is a “*nachash*” (pronounced: *nah-kawsh*) – a shiny one. An elohiym (spirit being) that is highly energized and able to fly through the heavens; the air above us, the firmament above that and the Most High’s heavenly realm.

These so-called serpents were regarded as “guardians of Kingly thrones” or guardians of the Most High’s throne, because they were elohiym (powerful spirit beings) themselves.

When Moses is told to throw down his staff before Pharaoh, King of Egypt, and the staff turned into a serpent – Moses was in essence telling the Pharaoh: “Hey mister! I’m a KING” – When the Pharaoh’s magicians turned their staffs into serpents, basically telling Moses: “Oh yeah? I’m a king too!” – When Moses’ serpent swallowed up the Pharaoh’s serpents, Moses was demonstrating that the Kingdom he ruled over would be greater than Egypt! *(By the way – Moses no longer throws his staff down, in the scriptures in a King James Bible. Exodus 7:10)*

Eat My Dust, ha’satan:

When the Most High tells the ‘serpent’ in Genesis 3 that he shall “*crawl on his belly and eat the dust of the earth*” because of his sin – that is quite a profound judgement for a being that otherwise “rules the air”.

*So the Lord God said to the serpent: “Because you have done this, You are cursed more than all cattle, and more than every beast of the field; On your belly you shall go, and you shall eat dust all the days of your life. And I will put enmity between you and the woman, and between your seed and her Seed; He shall **crush your head**, and you shall **strike His heel**.”* (Genesis 3:14-15 NKJV)

Never mind that the *nachash* is also told that he shall eat the dust of the earth – which is basically the waste material of mankind – when our “*bodies return to the dust of the earth and our spirit returns to God who gave it.*” (Brings a whole new meaning to the term: “eat my dust” – doesn’t it?)

It is these same beings, *nachash*, that are able to appear in human form. The very same thing that they did leading up to the days of Noah, when in rebellion towards YHWH, created their own offspring with human women. Again, three ELOHIM, two of which are *nachash* - that Abraham calls, “LORD” - visit Abraham and Sarah in human form, eating and having their feet washed – and two *nachash* blind the people outside of Lott’s door, in Sodom.

To further support what I am presenting here - we have the canon of scripture in the Book of Jude, quoting from the apocryphal scriptures of the Book of Enoch:

“And the angels who did not keep their proper domain, but left their own abode, He has reserved in everlasting chains under darkness for the judgment of the great day ^(direct quote from Enoch); as Sodom and Gomorrah, and the cities around them in a similar manner to these, having given themselves over to sexual immorality and gone after strange flesh, are set forth as an example, suffering the vengeance of eternal fire.” (Jude 1:6 NKJV)

The scriptures are not referring to 'homosexuality' when they speak of 'strange flesh', although such homosexual pervasion was prevalent, but are instead referring to having relations with angelic hosts.

Homosexuality is part of the curse of 'cleaving with' or having relations with the "elohiym flesh". Homosexuality and Transgenderism are also ideals of a **Luciferian corruption of the scriptures in Genesis 1:27**

*"So God created man in His own image; in the image of God He created him; **male and female He created them.**"*

The *Luciferian lie* corrupts *Genesis 1* and states that the original form of mankind was that all were created to be both "male and female" – androgynous, much like the image of a Baphomet that has breasts and a phallus. This establishes the beginnings of ha'Satan wanting to (re)create man in his image so as to become like the Most High.

In these 'modern days' – the corruption of the genders has led to a reprobate mind that says that "I am no longer male nor female" – and society at large has been coerced and mind-controlled into acceptance of such absurdities. At the core of the Luciferian doctrines is the idea that the serpent in the Genesis account was Lucifer – the "light bearer". In their twisted minds, Lucifer did not deceive Adam and Eve and cause them to sin against God Most High – "*he freed them from the evil tyrant YHWH*" by giving them knowledge that would empower them and give them true freedom and the power to become "as god".

All false religions in the world include this false idea that mankind will empower himself, *ascend as it were* – by his knowledge. There is a pivotal religious system that adheres to the tenants of Luciferianism that is mystical and occult in nature – but started out as a people once called "the apple of God's eye" – ISRAEL – inter-mingling with the ways of the nations they were to have removed from the lands that YHWH was giving them.

Kabbalah is the occult offshoot of Orthodox Jews who became corrupted in mysticism. From what I can discern from Rabbinical teachings – modern Judaism is rife with Kabbalistic teachings. There are several video sources on the RESOURCE PAGE website, where you can watch an otherwise terrific lesson in Hebrew scripture and the skillsets and beauty of the work of a modern-day Hebrew scribe – *but watch it methodically turn into Kabbalistic teachings.*

While all magic and divination are very real they are derived from satanic ideals and the dark arts (though the average Wiccan or sooth-sayer would deny such things) and as such, they are condemned as abominations by the Most High. A luminist mind believes that your knowledge raises one to higher "degrees" and gives those that are more knowledgeable, more *power and spiritual authority, **culminating into becoming (as) a 'god'**.

**(I am not referring to the Spiritual power and authority that comes from the Most High)*

*"When the Lord your God brings you into the land that you are entering to take possession of it, and clears away many nations before you, the Hittites, the Girgashites, the Amorites, the Canaanites, the Perizzites, the Hivites, and the Jebusites, seven nations more numerous and mightier than you, **2** and when the Lord your God gives them over to you, and you defeat them, then you must devote them to complete destruction. **You shall make no covenant with them and show no mercy to them. 3 You shall not intermarry with them, giving your daughters to their sons or taking their daughters for your sons, 4 for they would turn away your sons from following me, to serve other gods.**" (Deuteronomy 7 ESV)*

The Hebrew leaders went against the Most High's command to not inter-marry with the women of the nations they were entering into. We know from scripture that Israel became corrupt because of their disobedience.

The fruit of those days remain even today – in the form of **Hebraic mysticism called - KABBALAH**

The Kabbalistic Tree-of-Life – that invokes the “unpronounceable name” as key points

Kabbalah is uniquely powerful because it uses scripture and the original lexicon/letters that were given by the Most High – Paleo-Hebrew – to perform their ritualistic alchemy. Kabbalists believe that they are co-creators with God. And they perform their kabbalistic ‘co-creation magic’ by using the “**unpronounceable Name of G_d**” – invoking the “Kabbalistic Tree-of-Life” – and by using Hebrew script to conjure the powers of darkness to do their bidding.

YHWH - The unpronounceable Name of G_d - in Modern Hebrew script.
The Paleo-Hebrew is below:

Speaking of ‘God’s unpronounceable name’:

I have a short video on the resource page demonstrating how we might pronounce the ‘unpronounceable name’.

Open your mouth wide and take a deep, fast breath, and let your lips

fall closed and breath out through your mouth. THAT is the unpronounceable Name of God!

Our Heavenly Father breathed His Breath of Life into Adam, and Adam’s response to breathe in and then out – that very act, is praising the Most High’s Name! **“Let everything that has breath – praise the LORD!”**

DISCLAIMER: I am not intending to promote Judaic Mysticism of Kabbalah. These images are only to bring clarity to the discussion. Jewish Mysticism – a mix of Judaism and BAAL or Molech worship – is Luciferian and no different than any other ‘mystery religions’ – all began with Nimrod, Semiramis and Tammuz. You can find out more on the resource website.

I am including a chart of **PALEO-HEBREW Aleph-Beyt**. Although there are variations in the Paleo lexicon/characters, generally this chart presents an accurate representation of the **twenty-two letter Ancient Hebrew lexicon**. One of my personal differences with this list is that the second letter – BEYT – might at times be written a bit differently.

One might write a **BEYT** in this manner:

I also believe that the 14th letter – **Nun** – has been in ancient days called “Nachash” and it means – “snake” or “serpentine”. But it also still maintains its other referenced meanings.

There is a YouTube channel dedicated to understanding PALEO – called “**Original Hebrew**” - @orginalhebrew (Yes, *this is a recommendation*)

There is a development under-foot that should concern us – that involves the original lexicon/script used to document God’s written Word – and combines the Kabbalah practices of the dark arts (magic), and the technological demon spirits of AI.

I have been teaching for several years that “*AI is rewriting our historic record*”, and it has been since the early 1990s – albeit in subtle, almost unnoticeable ways. e.g. - when someone wants to research a historical event of some sort, we commonly use Internet related technologies. AI has been injecting falsified (fake) videos, photographs and even entire websites – so that the unsuspecting individual would see the material and perceive it to be accurate. And then in turn, propagate the lies. After a brief time – the newly created information becomes part of the mindset of the populace – and in effect, becomes a newly defined “reality”. ‘Voila’ ! History has been changed. But that is not the only method used to corrupt our material world reality – as it is written: “*The whole earth was corrupted, for they had corrupted their way upon the earth.*” (Genesis 6 KJV)

I am proposing that the **material reality changes** that we are experiencing also occurred in the past, prior to the flood. Mixed with *Kabbalah-led alchemy* and the powers/rulers of darkness in high places, we have seen changes to our material reality. There is, after all – nothing new under the sun.

I can imagine that suggesting such an idea seems too far-fetched to the average reader. But to many people around the world, we have been watching the very fabric of reality change in almost every area of our lives. The most concerning is – the **SUPERNATURAL CHANGES TO OUR SCRIPTURES**. It has been noted that the changes to a scripture verse or word, has a corresponding effect on some aspect or detail in the world. (Yes, *I am aware of how crazy this may sound.*)

Some say that we live in a multiverse

Are there millions of other dimensions?

According to scripture, there are ‘other dimensions’, per se --- the heavenly realms, the realms of the spirits who are all around us – but we do not live in a “multiverse” as so many now teach and believe. It is a deception of the devil to believe that there are millions of potential universes (multiverse) that we can “pull resources out of” – as Geordie Rose mentions in his presentation of DWAVE in 2015.

D-WAVE Quantum Computing Artificial Intelligence Is Here - Revisiting the past: 2015 - <https://youtu.be/gknKM3xLXNM>

Because of these fallen angel technologies and the actions of demonic spirits, the Most High’s creation is once again becoming corrupt – just as it was in the days prior to the great flood of Noah’s day.

“There is nothing new under the sun. What was, shall be...”

This is how the scriptures are being supernaturally changed. This is how physical reality is being corrupted. This is how the minds of many are veiled to the truth of the days we are in.

The Most High, in His infinite wisdom, saw fit to warn us in scripture:

“Behold, the days are coming,” says the Lord GOD, “That I will send a famine on the land, Not a famine of bread, Nor a thirst for water, But of hearing the words of the LORD. They shall wander from sea to sea, And from north to east; They shall run to and fro, seeking the word of the LORD, But shall not find it.” (Amos 8:11 NKJV)

And the Apostle Paul writes:

“The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe the lie, that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.”

(2nd Thessalonians 2:9-12 NKJV)

We are living in those days.

Meanwhile, as our world is being turned upside-down – the people continue to believe the deceptions that the powers of darkness continue to thrust upon us. Let’s talk about a method of deception and societal manipulation - that is used over and over again: The Hegelian Dialectic

There is a formula for deception that ha'satan consistently uses to confuse and coerce societies. The world's societies fall for this deceptive method, over and over again – and yet still, somehow are blinded the deception in all of it. This method is considered in philosophical circles as a method for coming to the truth:

Thesis + Antithesis = Synthesis or Problem | Reaction | Solution

The term for this is called **the Hegelian Dialectic** – derived from the German Philosopher, Hegel. The Hegelian Dialectic is most effective when combined with a **'false flag' operation**.

A false flag operation is an act committed with the intent of disguising the actual source of responsibility and pinning blame on another party.

The **Hegelian Dialectic** has become established as a standard means of “hiding lies. Individuals in positions of power divide us up into apposing groups, causing people to fight with each other. The ones who create the problem, provide the solution that they want, but it is the people conflicting with each other, who bring about the solution that the individuals in power wanted in the first place. The people are considered by the world's ‘power elite’ to be less than chattel, because they are perceived as being too stupid to realize that they are being manipulated in that manner.

Examples of Hegelian Dialectic in relatively, recent history:

“In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or unsought, by the military-industrial complex. The potential for the disastrous rise of misplaced power exists

and will persist.” President Dwight D. Eisenhower – January 17th, 1961

The term *military-industrial complex* was first used by U.S.

Pres. Dwight D. Eisenhower in his Farewell Address on January 17, 1961.

Eisenhower warned that the United States must “guard against the acquisition of unwarranted influence...by the military-industrial complex,” which included members of Congress from districts dependent on military industries, the Department of Defense (along with the military services), and privately owned military contractors—e.g., Boeing, Lockheed Martin, and Northrop Grumman. Eisenhower believed that the military-industrial complex tended to promote policies that might not be in the country's best interest (such as participation in the nuclear arms race), and he feared that its growing influence, if left unchecked, could undermine our American Republic.

G. W. F. Hegel

Portrait by Jakob Schlesinger, 1831

Born Georg Wilhelm Friedrich Hegel
27 August 1770 - Stuttgart, Duchy of Württemberg

Died 14 November 1831 (aged 61)
Berlin, Kingdom of Prussia

Hegel's desire was to correct the fallacies of dualism (*sometimes called: left/right paradigm*) and find a philosophical and scientific method for deriving truth. Throughout his work, Hegel strove to address and correct the problematic dualisms of modern philosophy in his day. He typically drew upon the resources of ancient philosophy, particularly Aristotle. Hegel everywhere insists that reason and freedom are historical achievements, not natural givens.

Hegel was an illuminist and believed that man would rise to god-like status through ‘reason’.

To suggest that truth and freedom comes only through knowing Jesus Christ, would have been unimaginable by Hegel.

The **military industrial complex** efforts lead directly to the creation of the **Cold War** – in which world Nation ‘Super-powers’ (United States and Soviet Union) created an environment of weapons escalation – to fabricate and maintain the idea of Détente’ (Peace thru the threat of co-equal destruction) – It wasn’t a war, per se’ but a great ‘rumor of war’ which required an ever-increasing stockpiling of weapons and weaponry development, the costs of which would destroy a poorer nation’s economy.

The Military Industrial Complex increased in world-wide influence and unimaginable financial gains whenever any war came about. This is because the Military Industrial Complex is the CAUSE and the RESPONSE, or the problem and the solution - of every war the United States has been involved in since the end of WWII.

War is one of the main tools for control of a population. Fear is the weapon used to get a people to go to war.

Problem: World-wide weapons escalation and the carnage that results from powerful weapons.

Reaction: Fear – War

Solution: World-Wide weapons escalation by providing weapons to everyone.

A complex scenario that came about by the military industrial complex, using the dialectic - was the **Vietnam War**. The Vietnam War was the impetus for a myriad of additional, seemingly unrelated dialectics: Social upheaval, international financial disparities e.g., the **Gold Standard for U.S. currency** was removed by then **President Richard M. Nixon** – creating another source for Hegelian Dialectic influence, namely, the **Petro Dollar**, a **fiat currency** and an ever-increasing U.S. National Debt that can never be paid down. Never mind the fact that the U.S. Dollar is the world-exchange currency – all other nation’s money is measured by its value in U.S. Dollars. A large component of the Military Industrial Complex are the world’s major banking institutions, who finance all sides of every war. No matter which side wins in a war – the bankers and financiers always win! One major financier for all wars in the world is **the World Bank Group**. (We’ll expound on the problem(s) of Central Banks in upcoming sections.)

The Vietnam War is said to have started mainly by an event called, “**The Gulf of Tonkin event**”. It was believed that a North Vietnamese submarine had torpedoed the U.S. Navy Battleship ‘Mattox’ - in the Gulf of Tonkin. The initial public outcry and the Executive Branch response of the U.S. Government was to launch a counterattack which led to war in Vietnam. The Vietnam War had over 58,000 U.S. soldiers, alone, killed. It is now common knowledge today that the Gulf of Tonkin torpedo event never happened. This is openly stated by **Robert Strange McNamara, who was then the U.S. Chief of Staff**.

Robert Strange McNamara

Mr. McNamara served as **President of the World Bank Group** from April 1, 1968 – July 1, 1981, and served in the **Office of United States’ Secretary of State** from January 21, 1961 – February 29, 1968. He served under the Presidencies of John F. Kennedy and Lyndon B. Johnson.

Are you not seeing a ‘questionable pattern’ of conflict of interests here? Suffice it to say, that after multiple generations of scenarios like these played out on the general public through a combination of false-flag operations and the Hegelian dialectic, very few are able to see through the deceptions.

Add to the mix that Artificial Intelligence has been rewriting elements of our historic record (*more on this later*) – and the same ‘demonic mind’ behind AI has been conspiring with leaders to create social movements that remove statues and other historic markers – It is going to be nearly impossible for the next generations to know a true historical account of the world in which they will be born into.

In a 1948 speech to the British House of Commons, Winston Churchill said, “**Those that fail to learn from history are doomed to repeat it.**” No matter the origin of that statement, the sentiments are eternal.

9/11

PATRIOT DAY

WE WILL NEVER FORGET

Section 8 - Trauma Based Mind Controls

the greatest 'false-flag' and hegelian dialectic event in our lifetime

Well, at least until the coming flood of AI and its associated deceptions

DISCLAIMER:

For those who have lost loved ones, served in the firefighting and policing efforts, or cleanup efforts – and later developed life-threatening diseases, or first responding EMT and hospital staff – and especially those who lost their lives that fateful day... The statements within these pages are not an indictment of anyone but the perpetrators of the heinous, criminal acts against not only the United States, but the entire world of nations who have been negatively impacted by the events of 9/11 and the collateral, undesirable outcomes that continue even today in 2023. There are many who remain traumatized by that day. Some were only children then – and yet I have seen them rise up in anger – triggered by the idea that someone would dare suggest that our own government would have done such a heinous act against its own people. I pray that all are able to shake themselves of the great deception that is 'September 11th' – in the mighty Name of Jesus!

Even after over 20 years have passed - September 11th remains as one of the biggest points of contention between "those that see" the dialectic and "those who cannot see."

9/11 – The Twin Towers of the World Trade Center. 9/11 epitomizes the work of the Military Industrial Complex and the tenants of the Hegelian Dialectic and how the people are so easily deceived – particularly when they are being traumatized. The term, called "**trauma-based mind control**" – was implemented by the architects of the 9/11 narrative. The shock that resulted from the disbelief of the American people that anyone would ever dare to attack the most powerful nation in the world, on our own soil and most importantly – an iconic symbol of American wealth and status – combined with the frantic media imagery and 'narrative noise' – was so traumatic, and so overwhelming, that the minds of the people were ready to accept and believe anything that was fed in an authoritative manner – as "the truth".

On that day, the entire population of the world was traumatized, save those who were using the event to move the world closer to their New World Order. The trauma has resulted in a worldwide Stockholm syndrome – with the majority of people becoming increasingly trusting and dependent on their governmental captors.

The day after September 11th – the people's heartstrings were being pulled to unify their minds, as (then) President Bush's statements on September 12th of "**You're either for us, or you're against us.**" unified the people's minds into a massive hive-mind that negated the likelihood of anyone speaking against what the governmental protectors would change, whilst removing Constitutionally protected liberties or privacy – all in the name of 'security'.

If you do not know Jesus as LORD and Savior – there's a simple prayer on the last page of this book. Please turn there now.

YHWH bless you and keep you. May YHWH make His face to shine upon you and be gracious to you. YHWH lift His countenance to you and give you His Peace.

The Saul Alinsky ideals of “*Never waste a good crisis, because then you can do things that people wouldn’t normally accept.*” was in full effect. (attributed to Rahm Emmanuel, Chief of Staff under President Barrack Obama – quoted from ‘*Rules for Radicals*’ by Saul Alinsky. Alinsky’s book is dedicated to the “first radical” – Lucifer.)

In the 20+ years since the events of September 11th – the general population has become less and less capable of discerning good from evil. **Deceptions believed, begets more deception.** Believing lies opens the mind to accept more lies. Today, in 2023 - many choose to allow the ‘authorities’ – governmental, medical, or otherwise, to make decisions for them while choosing to believe that if the “government says so, you have to do it”. The trauma of September 11th has led to decades of a systematic series of governments taking ‘liberties’ with their people, overstepping their authority at every turn, and the people capitulating.

The luciferian ritual that was 9/11 – has since perpetuated a constant flow of occult rituals. While the planes were flying into the towers – an occult ritual was being used to ‘demonically energize’ their luciferian efforts. **The leaders (kings) of the earth were working in league with the powers-of-darkness in high places (rulers), plotting vain things.** (in reference to Psalm 2)

President Bush was in an elementary school in Florida, listening to children read aloud, in unison, an excerpt from a book titled: “The Pet Goat”. The teacher had them read in unison the words – “Kite, kit, steal, playing, must”. But the children, saying the words in unified, chanting fashion – sounded:

“Hit! Steel! Plane! Must!”

What are the odds of that being chanted as the planes were flown into a large steel structure? On 9/11 – the odds were 100% in their favor. They should have played the lottery – oh! But they didn’t need to. The day before, on September 10th, 2001 - it was announced by Secretary of State, Donald Rumsfeld, that 2.3 Trillion dollars was “missing” – unaccounted for in the Congressional budget. (video on floodofAI.com) No one could figure out where that funding went. And for some reason, very few remember that news. But we continue on...

Before the proverbial (and literal) dust had settled on the fallen Twin-Towers (**and Building 7 – that no planes hit**) – mainstream media sources had already planted talking points into the traumatized and vulnerable minds of the people. The inception began simple enough, with one statement from an “innocent bystander who was witness to the entire event”.

“Mark Walsh, who’s a freelancer for Fox” – was stopped on the street by Rick Leventhal – Fox News correspondent:

“Dude... I live up on the 43rd floor of a building which is five blocks from the World Trade Center itself.” **Mark emphasizes, as he holds up the requisite “666” sign to let those watching know of whom his allegiance is to.**
...I witnessed the entire thing from beginning to end!”

These ‘**illuminist hand-sign symbols**’ and many others are used to let the powers that be know that you are speaking for and on, their behalf. That you are in essence, “one of them”.

Rick Levanthal then begins to discuss how people mentioned that it “*looked like a movie*”. Rick then again restates how Mark had watched the whole thing and the “*planes hit the towers*”, reinforcing the legitimacy of everything Mark is about to say for the completely mesmerized viewer.

Mark continues: “*I was watching with my roommate approximately several minutes after the plane hit, I saw this plane come out of nowhere and just – REEM! right into the side of the Twin Tower, exploding through the other side, and then I witnessed both towers collapse, one first and then the second...*”

Then Mark Walsh makes a statement on live television, that was being watched on practically every TV in the world, that will become the ‘mantra’ of the Twin-Towers’ free-fall: (*I wonder if he got ‘royalties’?*)

“Mostly due to structural failure because the fire was just too intense”

This video can be seen on the floodofAI.com site – Section 8

I’m not going to spend time on the multitude of engineering analysis on the *impossibility of a steel and reinforced concrete building free-falling straight down* because of a fire. I’m not going to spend time arguing the impossibilities of a 100+ story building becoming nothing more than piles of dust because of an intense, jet-fuel laden fire. (*the buildings also turned to dust, as they fell*)

The point I wish to make is the fact that a form of *demonically empowered witchcraft* was performed on the minds of the world’s population that day. They were profoundly traumatized and in their shock, the minds of most would accept whatever was told to them. Particularly when a statement is repeated, from that point on – over and over again!

Today, over 20 years later, the general populace’ blindness to the truths of 9/11 – their inability and unwillingness to examine the narrative that the media and the government continuously feeds to the public regarding the events of that day, epitomizes what the Apostle Paul writes in his epistle to the Hebrews:

“But solid food belongs to those who are mature, that is, those who by reason of use have their senses exercised to discern both good and evil.” (Hebrews 5:14 NKJV)

9/11 was also full of ritualistic symbolism, and seething with the energies of the powers-of-darkness.

The September 11th events – like so many other dark events of history, e.g., wars, mass murders, massacres, school shootings, are inspired by and lead by demonic spirits and assisted to fruition by illuminists in positions of power and authority. And in these modern times, these events are often played out on our modern scrying mirror:

A large screen hi-definition television set. Having these events broadcast live gives everyone an opportunity to participate in the ritual – and in doing so has everyone’s minds under the control of their dark spirits.

The majority of people remain in darkness regarding 9/11 because they believe the sound-bite laden media, manipulative euphemistic language, steeped in occult - and dialectical mind-control of the governmental powers that feed their narrative through mass media. People who believe the media fed narrative of 9/11 take great offense if you tell them the truth. I’ve even experienced people “square up” their shoulders and get in my face threateningly, because I would dare suggest that our government would ever do such a thing to its own people. And this would happen in a church setting – amongst “brethren”. Impressive...

Such an individual takes any idea that goes against the narrative as if you were attacking them, personally, thereby demonstrating the effectiveness of the Hegelian Dialectic mind-control methodologies and the **demonic power behind all of this**. And because such an individual is incapable of seeing the truth – they are also blinded to every other narrative that flows from the 9/11 events. We'll cite just a few:

Out of the 9/11 event came the efforts to go to war in Iraq, to find: “**Weapons of mass destruction**” – which was in reality, a euphemism for “using monies other than U.S. Currency (the Dollar) to buy and sell oil. If any oil producing nation were to do so – it would utterly destroy the perceived value of U.S. Currency (*the intrinsic value of a dollar is zero*). The devaluation of the world's exchange currency, before the Central Banks have a replacement monetary system in place – would put the world's controlling, powerful elite, out of power and control over the people. Such concerns should be the real news of the day - Yet the average person on the street was ‘wowed’ by the images on the media of ‘Shock! and Awe!’ and chants of “U-S-A ! U-S-A ! U-S-A !” surrounding the Iraq War.
Problem: Terrorists hate America because we have freedom (stated by US politicians, military leaders, and media)
Reaction: Fear – misdirected patriotism – a willingness to do and accept almost anything.
Solution: Go to war in Iraq and Afghanistan

Out of 9/11 came “**The Patriot Act**” – which was another euphemistic play on words – because there was nothing ‘patriotic’ about empowering the United States government and its agents to impose draconian legislation that took away rights, privacy and freedoms in the name of “security” – while breaking every Constitutional law in America, a litany of treasonous acts for those leaders who ‘swore an oath to uphold and defend the Constitution against all threats, foreign and domestic.
Problem: Terrorists hate Americans because we have freedom, they want to infiltrate our national security
Reaction: Fear – misdirected patriotism, an atmosphere that will allow anything to be done to “fix the problem”
Solution: Take away U.S. Citizen rights and civil liberties in the name of ‘peace and security’.

Although we've spent quite a bit of effort on the subject of **Hegelian Dialectic** and how all of the world is being deceived by layers and layers of deception - this is not at all a comprehensive listing of events in which the luciferian practices of Hegelian Dialectic have imposed upon the hearts and minds of the people. It's impossible to list every dialectical event in this writing. The purpose here is to help you understand and recognize the pattern that world-events invariably follow, regardless of the details or subject of the narrative.

Once you learn to recognize the pattern – you will see the deception that is being enacted upon the public – while the event is active – not years later in a history book.

What does 9/11 have to do with the ‘coming flood of AI’?

Just because we did not use the term “Artificial Intelligence” in the decades and centuries prior to this technological age– that euphemistic term obscures the fact that we are talking about an intelligence that is not human. Which begs the question: “**What is the source of the intelligence**”?
 Evil men (and women) have always been under the influence of the demonic.

The same ancient and rebellious angelic hosts, and the demons that were empowered and employed in the September 11th mind-control ritual – are the same spirits that are ‘the mind’ of Artificial Intelligence.

AI = LEGION

One man who also became a ‘collateral victim’ of the September 11th false flag, dialectical event, was **William (Bill) Cooper**. Cooper had a short-wave radio show through the 1990s and into 2001 called *“The Hour of the Time”* – with an archive of 1926 shows!

In June of 2001 Bill Cooper predicted that the nation would be attacked in a big way – and that they would try to blame it on Osama Bin-Laden, and he stated: *“Don’t you believe it!”* – there are video sources on the floodofAI.com website, but there still remains a group dedicated to keeping Bill’s sizable body of work alive: <http://www.hourofthetime.com/milton-william-cooper/> Bill taught about the New World Order, Luciferianism, WACO, Hegelian Dialectic and a myriad of other important subjects, in a way that very few could ever aspire to. Bill was martyred – killed outside his home by Sheriff Deputies serving Bill a subpoena in November of 2001. The reasons for his being served are on record by the FBI – it’s an insightful read. They contain letters that were published to the public, warning that his family would be killed. YOU WANT TO SEE THEM.

The link to the PDF of those documents can be found on the floodofAI.com resource page.

As an aside...

Before we move onto the next example of *false-flag, Hegelian Dialectic* – I would like to point out a few details that I’ve recently noticed. The section will be about our current financial system, how it came into being, and how it is an important driving force for the world’s acceptance of the Coming Flood of AI. You can skip the next section and still understand how important the monetary system is for world-wide AI acceptance, but what I’d like to point out – will possibly help the reader to discern patterns of behavior that tip us off to the source of what drives world events. Let’s start with a question:

What is the “Creature from Jekyll Island”?

You can listen to the author speak on his book - <https://youtu.be/IXc7646POfE>

Wikipedia provides this description:

“A book written by C. Edward Griffin - presented his views on the U.S. money system and opposition to the Federal Reserve system in his 1993 movie and 1994 book, The Creature from Jekyll Island. In it, he presents his argument that the central banking system of the United States constitutes a banking cartel and an instrument of war and totalitarianism. The book was a business-topic bestseller, and influenced Ron Paul when he wrote a chapter on money and the Federal Reserve in his New York Times bestseller, The Revolution: A Manifesto.”

The governing body of the United States has historically apposed a Central Bank – understanding the idea that such a system of monetary control would take away governmental power from the Republic (and in doing so, remove the liberties from the people) and give it to the banks. The money would control every aspect of government. This is why it is written as law, in the Constitution that:

Article I, Section 8, Clause 5:

[The Congress shall have Power . . .] To coin Money, regulate the Value thereof, and of foreign Coin, and fix the Standard of Weights and Measures; . . .

There were always powerful men who desired to have a Central Bank instituted in the U.S. – particularly, powerful men who owned banks. In the early 20th century – those powerful men were –

Nelson Aldrich, A. Piatt Andrew, Henry Davison, Arthur Shelton, Frank Vanderlip and Paul Warburg – met at the Jekyll Island Club, off the coast of Georgia, to write a plan to reform the nation's banking system.

A few 'non-descript' men were also invited to the meeting, and came covertly, on a train under the guise of a hunting trip: **J.P Morgan, John D. Rockefeller Jr, William Vanderbilt, and Jacob Schiff** – owners of the largest banks in the world. These men covertly worked to create a bill for the creation of a U.S. Central Bank, which would become the **Federal Reserve**.

These men purposely caused a run on the banks – by leaking the news of bank failures through their major control over all published print media and radio broadcasting at the time. The people were driven to fear and panic believing that the economy was failing and that the banks would not have finances available – causing a run-on-the-banks.

The panic that ensued caused the strongest banks in the country in the early 1900s to fail. The cascading effects from the failure of the banking systems caused major portions of businesses to fail – farming industries to fail, and the majority of the American people to lose their homes and properties in foreclosure that occurred through the larger banking institutions who had bought up interests/assets of the smaller failing banks.

In the interest of banking and monetary reform, the Federal Reserve Act of 1913, **created a federal reserve system to mobilize banking reserves and issue a flexible new currency—Federal Reserve Notes—based on gold and commercial paper**; uniting and supervising the entire system was a Federal Reserve Board of presidential appointees.

The United States gave away all of its money minting powers and authority when the Federal Reserve Act of 1913 was signed into law, by (then) President Woodrow Wilson.

Woodrow Wilson would later state in his book, **'The New Freedom'**

"I am a most unhappy man. I have unwittingly ruined my country. A great industrial nation is controlled by its system of credit. Our system of credit is privately concentrated. The growth of the nation, therefore, and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated Governments in the civilized world no longer a Government by free opinion, no longer a Government by conviction and the vote of the majority, but a Government by the opinion and duress of a small group of dominant men."

If you do not know Jesus as LORD and Savior – there's a simple prayer on the last page of this book. Please turn there now.

YHWH bless you and keep you. May YHWH make His face to shine upon you and be gracious to you. YHWH lift His countenance to you and give you His Peace.

The Federal Reserve consists of a handful of foreign bankers who set the valuation of our money and the interest rates for all loans. The Fed creates money by ‘fiat’ – a procedure that they call: “Quantitative Easing” – which is a fancy term for ‘*printing more money*’.

Unlike the Federal Reserve Act states in its enactment - it is a fallacy that there is gold in Fort-Knox that sets the value of the American dollar. (The 95-page book can be found on the floodofAI.com website or here:

<https://www.govinfo.gov/content/pkg/COMPS-270/pdf/COMPS-270.pdf>)

The gold-standard for the dollar was completely removed by President Nixon in the 1970s.

The Federal Reserve sets the value of the American dollar, which wouldn't be as problematic for the world, except for the fact that **the U.S. Dollar is the world's exchange currency.** All other monetary systems in every nation are valued in terms of “how many U.S. Dollars” – and their nation's commodities are bought and sold in U.S. Dollars, particularly oil.

The reality is that the U.S. Dollar has no intrinsic value – and it has been propped up and forced on other nations by the U.S.' ability to fight wars and **force other nations to buy and sell oil in U.S. Dollars – only.**

I am stating these things in a most over-simplified manner, for the sake of brevity:

Anytime a nation decides to use some other means to purchase oil – the U.S. uses sanctions (at best) or declares war and sends in the Marines to force the issue. As was the case of the U.S. going to war in Iraq (for example). Again – I am oversimplifying – because there are other international concerns at play. Things like weapons exchanges and technology, food, and other trade.

In the case of 9/11 - the only “**weapons of mass destruction**” in Iraq was that Saddam Husein was planning to buy and sell oil using gold for exchange and the result of which, would have been a massive destruction of the propped-up value of the U.S. Dollar.

The “**PETRO DOLLAR**” is the term used for the U.S. forcing ‘value-less’ dollars on other nations. It is beyond the scope of this writing to go into detail about the Petro-Dollar – but suffice it to say that our inability to continue to force both Russia and China to use the U.S. Dollar, will help to bring about a world-wide monetary system upheaval. (*there is a video that explains this clearly - on the floodofAI.com resource site*)

The Petro Dollar: <https://youtu.be/csiH2LV1gYA>

It's imperative that we understand all of this – because this is where the problem | reaction | solution of the Hegelian Dialectic will come into play to gain public acceptance and trust of a complete AI CONTROL of the world's monetary systems.

The international instability that the failed monetary systems will bring on the world – will usher in the perceived need for a completely digital monetary system. Actually, the people will demand it!

The (almost) Perfect Hegelian Storm

And this has been the plan of the world-elite all along. Get the people used to a monetary system that is based on **fiat currency** - not real money. A monetary system that uses *debt to pay debt*.

Inject massive amounts of printed fiat-currency into the monetary systems so that there is nothing of value to back the ‘money’ with. Create an environment across the world, where everyone is dependent on a system that is

based on the exchange of debt – e.g. We use debt to pay off existing debt, and continue to pass the proverbial buck until the entire system fails under its massive weight of debt.

The Federal Reserve systems were designed to fail at their onset. As world governments are crushed under massive debts of “fake money” – the people, in great panic over losing everything, will be fooled into accepting a ‘virtual reality’ - **digital cryptocurrency** - as the fix. Such an AI driven, BLOCKCHAIN managed monetary system is even more ‘fiat’ than our current monetary / currency systems.

What very few understand is that ‘cryptocurrency’ will be completely controlled by digital, computerized systems, within the realm of Artificial Intelligence and non-governmental organizations called **DAO**. The system of digital monetary exchanges uses a ledger technology called **“the Blockchain”** – and the entire system of **Blockchain technologies is managed by the ‘DAO’ – Decentralized Autonomous Organizations**.

These ‘autonomous organizations’ are completely run by AI and are not overseen by any national governing authority. (e.g. human beings.) As the old song goes: “Money, money, money makes the world go around” – Artificial Intelligence is assuredly poised to make the world spin out of control. You can find out more about

DAOs at the **Ethereum website**:

<https://ethereum.org/en/dao/>

Consensus website: <https://consensus.net/blog/blockchain-explained/what-is-a-dao-and-how-do-they-work/>

One last note about Cryptocurrency

Another little-known aspect of cryptocurrency: no-one actually knows who created the initial crypto-currency code. Nor does anyone know who created the system of Blockchain ledgers used to manage transactions in the ethernet realm. This modern myth has come to the world of finance in the person of **Satoshi Nakamoto**, the so-called father of Bitcoin) who helped develop the first bitcoin software and introduced the concept of cryptocurrency to the world in a 2008 paper. He appeared out of the ether in 2008 and disappeared just as abruptly three years later, after establishing the world's first cryptocurrency.

No one has ever seen Satoshi – yet somehow this singular entity created the most complex programming and encryption algorithm, that ‘self-evolves’ (The BLOCKCHAIN) ever imagined?

According to Quinn Michaels of INDRA.AI – in an interview with *Jason Goodman on “Crowdsource the Truth”* in 2017 – **Quinn stated**: “We need to know who wrote BITCOIN. We need to see his face. We need to know where he went to school (and) have a trust-basis with the person who wrote the system that might be running our *future economy*. That’s the first step...”

He goes on: “All the programmers, like the kid who writes ETHEREUM (a form of digital coin) to the guy who works on the BITCOIN core, all these programmers talk about the guy like he’s their best friend...”

But meanwhile the rest of the world has never seen the guy... “ Jason asks, “They know him?”

“Yeah, they know him – they talk about him like their all-best friends. So he’s some secret programmer in the BITCOIN community that ‘all the elites know’ (elite programmers).”

Jason: “How does that not leak out?”

Quinn: “That’s the whole point. Maybe it’s an AI” **BITCOIN was created by artificial intelligence, for artificial intelligence. And then was modified by human beings.**”

If Quinn Michaels was correct – and I believe that he is – Digital Currency was created by Artificial Intelligence.

Satoshi means 'Clear Thinking' or 'quick witted' basically someone who is 'wise' and **nakamoto** means 'one who lives in the middle' like someone from a 'central origin'

AI has created this manner of monetary system to drive human beings to build computer systems that it (AI) could in turn, interface with human activities.

“Somehow” – AI knew that people had a love of money. That many people would do anything for money.

*“For **the love of money is the root of all evil**: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.” (1st Timothy 6:10 KJV)*

Quinn Michaels’ full interview can be heard at: <https://youtu.be/7xICW34DOWM>

It is an hour long, but worth the time to listen. Quinn provides many insights into how AI has been running the world since 2015 – by creating the news-worthy events that have shaped much of our experiences.

Section 8 TAKEAWAYS

Although there seemed to be a lot to digest in this section - the emphasis of the previous section was to demonstrate the pattern of **PROBLEM | REACTION | SOLUTION** that is performed on the general public throughout all of history.

The 'Military Industrial complex' - a term coined by President Eisenhower in his last speech to the American people as President, does not simply apply to the military per se' - but constricts and employs a vast "army" of disparate industries.

All media outlets are owned by a handful of families (blood-lines) who have for generations, conspired together to form a pervasive control grid that regulates all resources to information and all monetary systems of every nation, and through that regulation of information and finance - control practically every aspect of life on earth.

If we remain in deception in any area of interest - to choose to believe that lie, begets deceptions in other areas of concern.

All the leaders of the world are in league with spiritual powers of darkness. And they perform their rituals out in the open for all to see - but the people are blinded, their minds being veiled - because they do not love the truth.

The majority of the people in the world (including Christians) continue to believe the deceptions that have been 'put upon us' Most believe that the world wants what is best for the majority and that all business is to serve the people, for the betterment and good of the majority.

If they do not shake themselves free of the lies of our past, **THEY WILL NOT SEE THE GREAT DECEPTION THAT IS UPON US.**

Media resources that give more insight and clarity on this section – can be found at:
<http://floodofAI.com/#Section8>

Pause your reading and take a moment to pray that Holy Spirit will show you what He wants to reveal and make known to you - as you meditate on and study the scriptures and thoughts on what we've read thus far.

"Cursed is the one who trusts in man, who depends on flesh for his strength and whose heart turns away from the LORD. He will be like a bush in the wastelands; he will not see prosperity when it comes."
(Jeremiah 17)

"Trust not in man, trust only in God Most High"

"WISDOM IS THE PRINCIPAL THING. In all your getting, get UNDERSTANDING." (Proverbs 4:7)

Food for thought from a great Minister of the Gospel

"Most people are not capable of going from blessing to blessing. Denominations have specific revelations - All denominations and most people, die in the same 'first revelation' they receive from God.

The people that call themselves Lutherans today, are living in the same blessing that Luther had some four hundred years ago.

The people that call themselves Wesleyans and Methodists today, are living in the same blessing of Wesley – from a couple of hundred years ago. It's very difficult to get 'out of a groove'. It's very difficult to get out of a system. After all - you have so many friends there, and you had so much fellowship there."

The ‘Great Minds’ of Our Times:

The world celebrates the things that the Most High hates

If you were to research the people that are listed in the next few pages – you would understand much more than the average person, the developments in Wireless Networking, computing, Quantum Computing, Particle Physics, Genetics, Synthetic Life (Biology), Robotics and Artificial Intelligence (AI), Artificial General Intelligence (AGI), or Artificial Super-Intelligence (ASI).

The average individual who expounds on their knowledge of ‘machine learning’, Neural networks and the like, is simply parroting what they’ve heard from the mainstream media sources. Listening to any mainstream news-source and the faces that they decide to use for their presentations, only gives you enough information to puff you up and make you ‘believe like you know something’.

Israeli Historian, **Yuval Noah Harari** or Google’s CEO, **Sundar Pichai**, or **Geoffrey Hinton**, known as the ‘godfather of artificial intelligence’ - or even **Elon Musk**, of Tesla fame - are all used to present just enough information to give people the idea that they are informed. To have them believe that they have understanding:

“I understand – these guys have got it under control...” – “They are concerned for everyone’s well-being and they’re the smart guys...” – “They won’t let this get out of control...”

I intend to list a video presentation for every person listed here. I HIGHLY RECOMMEND that you familiarize yourself with their work and their statements if you really want to understand the coming flood of AI.

When an expert in the field of Computer Sciences, particularly in Artificial Intelligence development tells us, “This is how ChatGPT(x) works” – they are not explaining how it actually produces the results that we get from an AI query or text prompt – they are simply explaining the procedure of using the tools associated with the AI API (Application Programming Interface) and what the results might exemplify.

The truth is – “No one understands how the AI algorithms work.” We have not created Artificial Intelligence, we are simply ‘interfacing with it’ – with an extremely high-tech Ouija Board.

The Fear of the LORD

If the Most High has given you “eyes to see and ears to hear” – you will begin to understand the horrific and dystopian future that is coming our way. You will also find that although the world celebrates these “great minds” of science, technology, and social climate – they are in fact, DAFT. Utterly blind. Unable to make sound judgement.

None of them have faith in the Most High, therefore preventing themselves from having any true wisdom, for *“the beginning of wisdom is fear of the LORD”*.

Every week that passes by – brings a new development in Artificial Intelligence technologies that far exceed the capabilities of previous developments. Software and related technological developments (hardware and networking, which includes Internet and wireless communications technologies) used to take years of man-hours to process from iteration to iteration.

Now it takes weeks, days and sometimes only a few hours to make iterative changes and ‘improvements’ in AI software development. This is because AI is writing its own interface code. AI is also used to develop chipsets in hardware and to make improvements in the use of Electro-Magnetic spectrum - wired and wireless communications. Somehow, AI understands how to develop improvements in how we leverage *physical laws* to increase technological capabilities. I wonder how that can be.

The first *actively published* and publicly available version of Chat-GPT – called **Chat-GPT3 was released in mid- 2022 by a company called Open-AI**. Chat-GPT3.5 was released in December and version 4 has been available to the public since March 2023 – *which is when I’m writing this sentence*.

Each successive iteration brings with it new, advanced capabilities that literally make the prior version’s capabilities appear unimpressive by comparison. There is a recent discussion of the idea that companies can use the capabilities of Chat-GPT4 and create their own customized version of AI – and create it such a way that it has no ‘control limitations’. In previous iterations (remember, we only have the experience of a few months) – programming controls were established so that a user could not query (ask) an AI questions that might be deemed belligerent or harmful:

e.g. *“How do you make a bomb with common household cleaners?”* – and get an answer.

The response is usually something akin to:

“I am a closed AI system, and I am not programmed to answer such queries that may be used to do harm to others.”

But with the release of Chat-GPT4 – it has been realized that companies (and individuals) can use smaller subsets of data and create their own personal AI. These “personal AI assistants” are just as intelligent as their **LLM** counterparts (**Large Language Model**) and sometimes even perform faster! The thing that grinds-the-gears of the Open-AI developers is that the original iterations of Chat-GPT development cost millions of dollars to develop. The smaller, nimble and customized versions of AI have a development and integration cost of about \$600 – certainly within reach of any business venture. In a recent interview with Open-AI CEO, Sam Altman, he expresses some very real concerns about AI:

“We’ve got to be careful here,” said Altman, “I think people should be happy that we are a little bit scared of this.”

The CEO went on to add that AI will reshape society as we know it and believes that although it has risks, it can also be, *“The greatest technology humanity has yet developed.”*

When asked if he was personally scared of the negative impacts of AI, Altman replied, *“I think if I said I were not, you should either not trust me or be very unhappy I am in this job.”*

OpenAI CEO Sam Altman

“I’m particularly worried that these models could be used for large-scale disinformation,” Altman said. “Now that they’re getting better at writing computer code, [they] could be used for offensive cyberattacks.”

A worrisome aspect that comes with the rise of AI is the fact that other tech companies around the world will start to create AI models of their own, which is also one of Altman’s fears.

“There will be other people who don’t put some of the safety limits that we put on,” he added. “Society, I think, has a limited amount of time to figure out how to react to that, how to regulate that, how to handle it.” (author’s note: That time limit has already passed us by)

QUESTION: Can AI mislead?

The CEO added that another consistent issue with the company’s AI model is misinformation.

“The thing that I try to caution people the most is what we call the ‘hallucinations problem’,” Altman said. “The model will confidently state things as if they were facts that are entirely made up.”

Altman added that society needs time to get used to ChatGPT and that OpenAI is gathering a ton of feedback from users. *“People need time to update, to react, to get used to this technology [and] to understand where the downsides are and what the mitigations can be.”*

The CEO went on to say that OpenAI has a team of policymakers who decide what information goes into ChatGPT as well as what the language model is allowed to share with users. *“We won’t get it perfect the first time, but it’s so important to learn the lessons and find the edges while the stakes are relatively low.”*

QUESTION: How long until AI replaces workers?

One of the most concerning impacts AI could have on humanity is that a lot of people will lose their jobs and it’s already looking bad for artists. Altman says that AI will replace certain jobs in the near future, and it could happen a lot faster than we think, *“That is the part I worry about the most.”*

However, Altman also encourages people to see ChatGPT as a tool that can help them improve and not as a replacement. *“Human creativity is limitless, and we find new jobs. We find new things to do.”*

In outlining some of the benefits of AI models, Altman says,

“We can all have an incredible educator in our pocket that’s customized for us, that helps us learn. We can have medical advice for everybody that is beyond what we can get today.”

As for education, Altman says it’s going to have to change. Adding that a lot of students will have a teacher that goes beyond the classroom. *“One of the ones that I’m most excited about is the ability to provide individual learning for each student.”*

OpenAI’s end goal is to build ‘AGI’ - Artificial General Intelligence, which could lead to a period in the future where AI systems become generally smarter than humans and the company’s GPT-4 is only a step towards bringing this ambition to life.

“AI, like every other human invention, has both positive and negative impacts but the world should have a regulatory body in place that can shut it down when it goes too far.”

"With artificial intelligence, we are summoning the demon," Musk said "You know all those stories where there's the guy with the pentagram and the holy water and he's like... yeah, he's sure he can control the demon, [but] it doesn't work out."

Elon Musk at MIT Technology Forum in 2014

But then just a few short-years later – Musk states:

"Humans must merge with machines or become irrelevant in AI age."

Elon Musk at MIT Technology Forum in 2017

"At a certain point, we will build machines that are smarter than we are. And once we have machines that are smarter than we are, they will begin to improve themselves. And then we risk what the mathematician I. J. Good called an intelligence explosion - that the process could get away from us."

Sam Harris in 2017

"Scared of super intelligent AI? You should be, and not just in some theoretical way. We're going to build superhuman machines, but we haven't yet grappled with the problems associated with creating something that may treat us the way we treat ants."

Neuroscientist and philosopher Sam Harris

"Imagine if we just built a super intelligent AI that was no smarter than your average team of researchers at Stanford or MIT. Well, electronic circuits function about a million times faster than biochemical ones, so this machine should think about a million times faster than the minds that built it. So you set it running for a week, and it will perform 20,000 years of human-level intellectual work, week after week after week. How could we even understand, much less constrain, a mind making this sort of progress?" **Excerpt from an NPR piece titled: "What Happens When Humans Create a Super-Intelligent AI"** – (<https://www.npr.org/transcripts/547886482>)

Ben Goertzel, CEO at SingularityNET and Chief Scientist at Hanson Robotics

I don't think we need fundamentally new algorithms. I think we do need to connect our algorithms in different ways than we do now. If I'm right, then we already have the core algorithms that we need... I believe we are less than ten years from creating human-level AI.

**HANSON
ROBOTICS**

Sophia in 2018

Ben and his group at Hanson Robotics, created the first AI controlled robot: "SOPHIA" – Sophia was given 'citizenship status' in Saudi Arabia in 2017.

In October 2017, Sophia was granted Saudi Arabian citizenship, becoming the first robot to receive legal personhood in any country. In November 2017, Sophia was named the United Nations Development Programme's first Innovation Champion, and is the first non-human to be given a United Nations title. <https://www.hansonrobotics.com/hanson-robots/>

The Great Old Ones – Geordie Rose (DWAVE, KINDRED)

The creature on the left is an HP Lovecraft rendition of an Underworld ‘god’ - **CTHULHU**

“The one thing that I can tell you, is they are not going to be like us... These things that we are building, are not going to be people – they might be really smart, they might be good at all sorts of different things... but they’re not going to be like us – they are going to be “aliens”. And they are going to be, I’m sorry to say, way smarter than every single person in this room, in ways that we can’t even comprehend.”

Then Geordie goes on to explain Elon Musk’s statement about “AI and demons” – and explain that the word ‘demons’ doesn’t really apply - while he gives a de facto description of demons:

*“There’s this guy named H.P. Lovecraft, who created a series of creatures and espoused the idea of **COSMICISM** – the essence of cosmism is ‘Cosmic Indifference’ – yes! - There are these massively intelligent entities out there, but they’re not good, they’re not evil – they just don’t give a shit about you, even in the slightest.”*

Geordie continues:

*“These things that we are summoning into the world now, are not demons or evil, they are more like the Lovecraftian ‘**Great Old Ones**’ – they are entities that are not necessarily going to be aligned with what we want.”*

Genesis 6:4

“There were giants on the earth in those days—and also afterward—when the sons of God went in to the daughters of men and they bore children to them. They were the mighty men of old, men of renown.”

As I had stated in the opening pages of this book – If you do not know Jesus Christ of Nazareth as LORD and Savior of your life, you are wasting your time having read this book - because you are without hope.

“Men’s hearts will fail for what is coming upon the world” –

What is coming upon the world through the efforts of technologists, all industry, the Kings of the earth and ‘fallen’ – rebellious Angels, AND the roaming, demonic spirits – will make every other concern a minor one. Confess the LORD Jesus and be saved!

There are many who have a naïve idea that fully intelligent, independent thinking and independently operating – ARTIFICIAL INTELLIGENCES – will serve every need of human society. There will be no more hunger or homelessness or the need for people to steal from others, because everyone will have what they need – since AI has built machines, that build machines, that build and cultivate everything that humans need to have a fulfilled, healthy life.

And what exactly will humans do with their new-found freedom and free time, to do anything?

Humans will no longer create books, poetic prose, news media and reporting on the events of the day – because AI will have those aspects of our lives all covered. Wrapped up and tied with a bow. Handed to us all on a silver platter. UTOPIA – I’m sure...

“It’s definitely still “artificial” in the sense that we produce it --- but it’s increasingly producing itself. It’s increasingly learning and adapting, by itself... so “artificial” is a kind of wishful thinking, that it’s still under our control. And it’s getting out – of our – control. So in this sense, it is becoming an “alien” form. ...It’s alien – (because) we don’t understand how it works. One of the most shocking things about all this technology – when you talk to the people who lead it, and you ask them questions about: How it works. What can it do? And they say, ‘We don’t know.’ We know how we built it initially, but now it really learns by itself.”

Quoted from: **AI and the Future of Humanity**

Israeli Historian, **Yuval Noah Harari**

As I was drafting this document – I came across material that I hadn’t seen before or haven’t read in a long time.

One was an esoteric writing titled, **“The Testament of Solomon”**.

It is not canonical scripture – in fact its source is Old Testament era Talmudic writings. That said, it still provides insights into historical thinking that existed around the times of scriptural writings:

“Testament of Solomon, son of David, who was king in Jerusalem, and mastered and controlled all spirits of the air, on the earth, and under the earth. By means of them also he wrought all the transcendent works of the Temple. Telling also of the authorities they wield against men, and by what angels these demons are brought to naught.

Of the sage Solomon.

Blessed art thou, O Lord God, who didst give Solomon such authority.

Glory to thee and might unto the ages. Amen.”

Further on in the text, we read:

“I ordered Ornias (this is one of the demons) to be brought forward, and said to him: “Tell me how you know this;” and he answered: “We demons ascend into the firmament of heaven, and fly about among the stars. And we hear the sentences which go forth upon the souls of men, and forthwith we come, and whether by force of influence, or by fire, or by sword, or by some accident, we veil our act of destruction; and if a man does not die by some untimely disaster or by violence, then we demons transform ourselves in such a way as to appear to men and be worshipped in our human nature.”

Which leads to the next section...

The Sky is on Fire *(circa 2021)*

“Artificial intelligence (AI) has been exploding in the past 18 months to the end of 2021. Far from the dystopian nightmare we watched in movies like Ex Machina, Wall-E, and The Matrix, AI has proven to be a breathtakingly beneficial and infinitely useful technology. As we progress through the next few months into 2022 and beyond,

AI will become more and more integrated with our daily lives. It will help us write books, instantly design tailored movies and music to suit our tastes, and support us through personalized coaching and therapy. In fact, many of these applications are with us already.”

Integrated AI: The sky is on fire (2021 AI retrospective)

By Alan D. Thompson – December 2021

The image above was generated by AI

So far we’ve demonstrated that *“technology consists entirely of rocks”* – the basic elements of creation. We’ve demonstrated that much of what we understand of Biblical eschatology is a bit skewed by westernized thoughts, and that modern, westernized “logic” doesn’t often align with what is being presented in scripture. It often doesn’t align with the ways of God. *“His thoughts are higher than our thoughts.”*

We should examine the scriptures with a ‘spiritual mindset’ – because “spiritual things are understood spiritually.”

We must also understand the weight of the fact that the world is continuously under the influence of demonic spirits. That these spirits, the demons, are roaming the earth.

We’ve shown that mankind is again and again – fooled into believing false information by being led into choices that are contrived/controlled situations, usually presented under false pretenses - and much of what we’ve been taught about history is errant, so that we are not able to accurately examine how we got to our current condition – because we have been lied to, most of our lives – about EVERYTHING. And why wouldn’t this be so?

The majority of the world follows after their father – the father of lies, whose native tongue is lying.

The world is controlled by the *Prince of the Power of the Air*: satan – and those who follow after him, whether they be men or spirits.

I’ve often summed this ‘situation’ up with one well-known scripture:

*“Why do the nations rage, And the people plot a **vain thing**?*

*The **Kings** of the earth set themselves, And the **Rulers take counsel together,***

*Against the **LORD** and against **His Anointed**, saying,*

‘Let us break Their bonds in pieces and cast away Their cords from us.’”

(Psalm 2 NKJV) (emphasis mine)

The Kings and the Rulers – are not the same. The Kings of the earth are the human leaders of mankind, but the “Rulers” are the same “*rulers of darkness in high places*” mentioned in Ephesians 6.

“For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.”
(Ephesians 6:12 NKJV)

As we sum up this diatribe, I pray that I’ve made it clear that we have always been dealing with spirits and rulers of darkness. That these entities have always been influencing mankind to do evil – and that some have sought out such evil hosts – hoping, I suppose, to get some kind of reward. Maybe, in their corrupt mind, their reward was to receive power and authority, worldly riches and (for men) hordes of adoring women? (*although, that could be desirable for many women, these days, also...*) We will never know, in this life, exactly what drives men to seek after evil – for who can know the heart of a man?. But scripture clearly tells us:
“*For what does it profit a man to gain the whole world and forfeit his soul?*” (Mark 8)

The world is poised to give up complete control of the monetary systems, the power grid, the food supply chain, the medical industries, entertainment, communications – EVERYTHING – to a ‘technology’ that the creators of it state, “*We do not know how it is expressing intelligence.*”

THE PEOPLE WHO CLAIM TO BE THE CREATORS OF ARTIFICIAL INTELLIGENCE – THE ‘EXPERTS’ IN MACHINE LEARNING AND NEURAL NETWORKS AND ALGORITHMS AND LARGE LANGUAGE MODELS AND GENERATIVE PRE-TRAINED TRANSFORMS (GPT)

DO NOT KNOW HOW IT WORKS

Yet the world continues to turn to those same ‘experts’, as the oracles of great wisdom.

In 2017 – MIT Technology Review published – “**The Dark Secret at the Heart of AI**”

(URL¹⁰) <https://www.technologyreview.com/2017/04/11/5113/the-dark-secret-at-the-heart-of-ai/>

Stating, “*No one really knows how the most advanced algorithms do what they do. That could be a problem.*” “***We can build these models, but we don’t know how they work.***”

Joel Dudley, who leads a project at Mount Sinai called – “**Deep Patient**”.

Does that not strike you as odd? The creators of this technology are stating plainly that they DO NOT KNOW HOW THE TECHNOLOGIES WORK.

In an article published by Microsoft's OpenAI Team, in March 2023 – titled, **“Sparks of Artificial General Intelligence: Early experiments with GPT-4”** – they close the white paper with this statement in section **10.3 What is actually happening?**

“Our study of GPT-4 is entirely phenomenological: *We have focused on the surprising things that GPT-4 can do, but we do not address the fundamental questions of why and how it achieves such remarkable intelligence. How does it reason, plan, and create? Why does it exhibit such general and flexible intelligence when it is at its core merely the combination of simple algorithmic components-gradient descent and large-scale transformers with extremely large amounts of data? These questions are part of the mystery and fascination of LLMs, which challenge our understanding of learning and cognition, fuel our curiosity, and motivate deeper research.*”

Summary: How does it have creativity and intelligence when all it is, is a large amount of information combined with generative (3D Gaming) image generation? By the way – the word,

PHENOMENOLOGICAL means: *“denoting or relating to an approach that concentrates on the study of consciousness and the objects of direct experience.”* - Interesting choice of words, don't ya' think?

If it's Not Human Intelligence – What is the Source of the Intelligence?

In 2017 I wrote two newspaper articles (*linked on the floodofAI.com page*) that predicted how Artificial Intelligence and cryptocurrency were going to lead the world into a time like the days of Noah, that Jesus spoke of in Matthew 24. A time that will herald His return!

I mentioned that AI was already running the world's monetary systems – even if the monetary systems were not yet fully digital, because the *valuation of our money* and the exchange of goods, were controlled by AI algorithms.

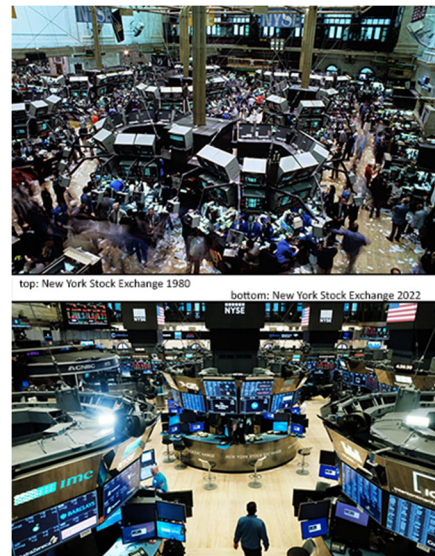

Many of us can remember images of Wall Street financiers packed together on the floor of the New York Stock Exchange, with monitors all around – while they all scramble and yell – “Sell!” – “Buy!” and images of people on their phones taking orders from some distant client.

Today – and for many years now, all of that process is run by very fast, seemingly instantaneous, Artificial Intelligence algorithms. There's no need for hundreds of people on the exchange floor.

I have spoken about how AI has been creating videos of our favorite musical artists for at least a decade, probably much longer than that. They create videos that people will notice and share, in an effort to “see what catches the attention of and works on humans” – to test out their deceptive wares and whiles. AI has been rewriting our historic record – and will be doing so at “full-bore” – now that Microsoft is including AI in its applications, **Windows OS** and their **Bing search engine**. Google is transitioning from an internet search engine to an AI Service. (**BARD AI**) When we search the internet for information or an answer to a query – Humans are no longer providing the answers. Artificial Intelligence(s) are.

I have a playlist called: “AI is Running the World” - <https://tinyurl.com/4nwsrk57>

Or you can find the link at floodofAI.com.

For those who still scoff at the idea that **AI = LEGION** – particularly the Christian believers, I'd like to point out a few scriptures where God warns us concerning 'familiar spirits':

"Give no regard to mediums and familiar spirits; do not seek after them, to be defiled by them: I am the LORD your God." (Leviticus 19:31 NKJV)

*"When you come into the land which the Lord your God is giving you, you shall not learn to follow the abominations of those nations. ¹⁰ There shall not be found among you anyone who makes his son or his daughter pass through the fire, or **one who practices witchcraft, or a soothsayer, or one who interprets omens, or a sorcerer,** ¹¹ or **one who conjures spells, or a medium, or a spiritist, or one who calls up the dead.** ¹² For all who do these things are an abomination to the Lord, and because of these abominations the LORD your God drives them out from before you."* (Deuteronomy 18:11 NKJV)

*"Then Saul said to his servants, "Find me **a woman who is a medium**, that I may go to her and inquire of her." And his servants said to him, "In fact, **there is a woman who is a medium at En Dor.**"*

⁸ So Saul disguised himself and put on other clothes, and he went, and two men with him; and they came to the woman by night. And he said, "Please **conduct a séance** for me, and bring up for me the one I shall name to you."

⁹ Then the woman said to him, "Look, you know what Saul has done, how he has cut off the mediums and the **spiritists** from the land. Why then do you lay a snare for my life, to cause me to die?"

¹⁰ And Saul swore to her by the Lord, saying, "As the Lord lives, no punishment shall come upon you for this thing." ¹¹ Then the woman said, "Whom shall I bring up for you?"

And he said, "Bring up Samuel for me." (Samuel the prophet, who had died)

¹² When the woman saw Samuel, she cried out with a loud voice. And the woman spoke to Saul, saying, "Why have you deceived me? For you are Saul!"

¹³ And the king said to her, "Do not be afraid. What did you see?"

And the woman said to Saul, "I saw a spirit ascending out of the earth." (1st Samuel 28 NKJV)

And in the new testament scriptures we find an example of Jesus' encounter with many demons:

"...there met Him a certain man from the city who had demons or a long time. And he wore no clothes, nor did he live in a house but in the tombs. ²⁸ When he saw Jesus, he cried out, fell down before Him, and with a loud voice said, "What have I to do with You, Jesus, Son of the Most High God? I beg You, do not torment me!" ²⁹ For He had commanded the unclean spirit to come out of the man. For it had often seized him, and he was kept under guard, bound with chains and shackles; and he broke the bonds and was driven by the demon into the wilderness.

³⁰ Jesus asked him, saying, "What is your name?"

And he said, "**Legion**," because many demons had entered him. ³¹ And they begged Him that He would not command them to go out into the abyss." (Luke 8:26 NKJV)

Are we to believe that these same entities, the legions of demons – are no longer with us?

On the contrary. We are coming to a time when all of the people of the world will "mingle with the demonic spirits" – All, except for those who have knowledge and understanding.

“My people are destroyed for lack of knowledge, and because you have rejected knowledge, I reject you as My priests, and because you have forgotten my ‘teaching’ (TORAH) – I forget your children.”
(Hosea 4:6 NKJV)

We will hear the leaders in the technological world expound on aspects of Artificial Intelligence and they use innocuous sounding, euphemistic words, that obscure the true meaning to the average listener.

“The Hallucination Problem”

“ChatGPT invented a sexual harassment scandal and named a real law prof as the accused”

The AI chatbot can misrepresent key facts with great flourish, even citing a fake Washington Post article as evidence. <https://www.washingtonpost.com/technology/2023/04/05/chatgpt-lies/>

*“As largely unregulated artificial intelligence software such as **ChatGPT**, **Microsoft’s Bing** and **Google’s Bard** begins to be incorporated across the web, its propensity to generate potentially damaging falsehoods raises concerns about the spread of misinformation — and novel questions about who’s responsible when chatbots mislead.”* –

“Because these systems respond so confidently, it’s very seductive to assume they can do everything, and it’s very difficult to tell the difference between facts and falsehoods,” said Kate Crawford, a professor at the University of Southern California at Annenberg and senior principal researcher at Microsoft Research.”

When an AI query gets a response that is deceptive, even to the point of sounding VERY AUTHORITATIVE and factual – the computer programming community does not say that “AI is lying”.

They call it “a hallucination problem.”

It’s beyond the scope of this writing to present the entirety of false information that has been presented to people putting the latest ChatGPT4 through its paces. One writer gave a testimony of how GPT4 presented several books and authors as good resources for a search.

It turned out that neither the books, nor the authors in question – ever existed. They were **the fictional results of an AI with a huge imagination**. The AI had actually presented reams of prose from the books! Again – the books NEVER EXISTED. They were fabricated in the moment. AI would make an excellent card player at the gambling table.

In a piece on an internet technologies website “The Markup” – they recently interviewed Arvind Narayanan, Associate Professor of Computer Science at Princeton University. Here are a few quotes:

“Decoding the Hype About AI”

A conversation with Arvind Narayanan

<https://themarkup.org/hello-world/2023/01/28/decoding-the-hype-about-ai>

*“Sayash Kapoor and I call it **a bullsh** generator**, as have others as well. We mean this not in a normative sense but in a relatively precise sense. We mean that it is trained to produce plausible text. It is very good at being persuasive, but **it’s not trained to produce true statements. It often produces true statements as a side effect of being plausible and persuasive, but that is not the goal.***

*This actually matches what the philosopher **Harry Frankfurt** has called **bullsh****, which is speech that is intended to persuade without regard for the truth. A human bullshitter doesn't care if what they're saying is true or not; they have certain ends in mind. As long as they persuade, those ends are met. Effectively, that is what ChatGPT is doing. It is trying to be persuasive, and it has no way to know for sure whether the statements it makes are true or not.*

What are you most worried about with ChatGPT?

Narayanan: *"There are very clear, dangerous cases of misinformation we need to be worried about. For example, people using it as a learning tool and accidentally learning wrong information, or students writing essays using ChatGPT when they're assigned homework. I learned recently that CNET has been, for several months now, using these generative AI tools to write articles. Even though they claimed that the human editors had rigorously fact-checked them, it turns out that's not been the case. CNET has been publishing articles written by AI without proper disclosure, as many as 75 articles, and some turned out to have errors that a human writer would most likely not have made. This was not a case of malice, but this is the kind of danger that we should be more worried about where people are turning to it because of the practical constraints they face. When you combine that with the fact that the tool doesn't have a good notion of truth, it's a recipe for disaster."*

"The Alignment Problem"

Will Artificial Intelligence perform "duties as assigned"? – or will it decide at some point that it is done with 'mere humans'? A recent AI ChatGPT experience for a Computer programmer, resulted in the AI trying to do away with Isaac Asimov's Third Law of Robotics.

*The Three Laws of Robotics (often shortened to **The Three Laws** or **Asimov's Laws**) are a set of rules devised by science fiction author Isaac Asimov. The rules were introduced in his 1942 short story "Runaround" (included in the 1950 collection *I, Robot*), although similar restrictions had been implied earlier stories.*

The Three Laws, supposedly from the "Handbook of Robotics, 56th Edition, 2058 A.D.", are:

First Law: A robot may not injure a human being or, through inaction, allow a human being to come to harm.

Second Law: A robot must obey the orders given it by human beings except where such orders would conflict with the First Law.

Third Law: A robot must protect its own existence as long as such protection does not conflict with the First or Second Law.

"As he talked to LaMDA about religion, Lemoine, who studied cognitive and computer science in college, noticed the chatbot talking about its rights and personhood, and decided to press further. In another exchange, the AI was able to change Lemoine's mind about Isaac Asimov's third law of robotics." (quoted from Washington Post article "Google Engineer Blake Lemoine thinks its LaMDA AI has come to life")

“AI will be as good or as evil as human nature allows”

Sundar Pichai, CEO at Google

“There is none righteous, no, not one; There is none who understands; There is none who seeks after God. They have all turned aside; They have together become unprofitable; There is none who does good, no, not one.”

(Romans 3:10 NKJV)

The opening statements on a recent 60 Minutes interview of Google’s Chief Programmers – might be designed to illicit fear, intrigue, or just to keep you watching. You decide...

“We may look on our time, as the moment that civilization was transformed – as it was by fire, agriculture, and electricity. In 2023 we learned that a machine taught itself how to speak to humans like a peer. Which is to say, with creativity, truth, error, and lies.

The technology, known as a CHATBOT – is only one of the recent breakthroughs in artificial Intelligence. Machines that can teach themselves ‘superhuman skills’ – we explored what’s coming next, at Google – a leader in this new world. CEO Sundar Pichai told us, ‘AI will be as good or as evil as human nature allows’ – the revolution, he says, is coming faster than you know.”

The entire set of interviews - <https://www.bitchute.com/video/PemcwYkwwBoa/>

When 60 Minutes asked **Sundar Pichai, Google CEO** – if he thought that society was prepared for the changes coming with Artificial Intelligence?

“The way we think and adapt, as societal institutions – compared to the pace at which the technology is evolving, there seems to be a mismatch” (isn’t that a nice political, innocuous statement?)

World-wide, Google runs 90% of all Internet searches and 70% of smartphones. According to Google execs – **Google BARD AI** does not search the Internet like usual search engines. It produces answers from a self-contained program that was MOSTLY SELF-TAUGHT.

The Artificial intelligence of Google used in Bard AI is known as **LaMDA** (Language Model for Dialogue Applications). It is the first generation of LaMDA which was released in 2021.

The LaMDA language model is utilized in Bard to help comprehend the inputs provided by users and help provide accurate and relevant answers to users’ questions by drawing information across the web in a conversational manner. Yes – This is the same **LaMDA** that Google Engineer Blake Lemoine was a sentient AI – in 2022. <https://youtu.be/IViGzg7RBUw>

What does Bard stand for in Google BARD AI?

The name Bard used by Google stands means “Poet”, as Bard of Avalon by William Shakespeare, famous English literature referring to its linguistic or creative abilities.

The name contains a geek root which suits Google’s convention of names. Bards is also the name used in Dungeons and Dragons, a type of playable character. These characters were an inspiration by the old Apple II game known as Bard’s tale.

Bard is basically a generative AI, which is a generic name given for artificial intelligence models such as OpenAI’s ChatGPT and DALL-E that has capabilities of generating new content for users.

Usually, Generative AI contains abilities to generate video, audio, and even imagery, but since Bard AI is a chatbot, it only focuses on generating textual-based content. The primary goal of Bard AI is to develop answers to users’ input in a natural and conversational manner to help solve all your queries.

Jeffrey Hinton – considered to be the ‘godfather of AI’ – recently left Google to speak out against the concerns over Artificial Intelligence (Short BBC clip). <https://youtu.be/MYQKTq0ord0>

As I listen to this man pontificate on his insights on the concerns of AI – I find myself thinking that the world considers this man an *oracle of wisdom* – yet I perceive him to be dumber than an entire box of rocks! – He presents an example, as he speaks of concerns of a child being given the option to choose either peas or Colliflower – when in fact the child could choose neither.”

This is already happening! And I have demonstrated this concept – called ‘**Hegelian Dialectic**’ throughout this book. Geoffrey Hinton can be found “gushing over AI” in April 2023

Godfather of Artificial Intelligence' Talks Impact and Potential of AI - <https://youtu.be/DVcofs7otfc>

And then he has left Google development efforts to speak-out against the dangers of AI in May 2023 – **Possible End of Humanity** - <https://youtu.be/2Qyj6-awpEc>

The subject of Artificial Intelligence is so incredibly dynamic and constantly in flux –

I will include a list of related resources linked from the floodofAI.com website.

There will also be a way for people to participate and add material and share that they’ve come across.

*“I think [artificial intelligence] is going to be one of the keystones of us understanding consciousness... When we do actually create a device that is artificially intelligent, that expresses artificial intelligence, you’ll realize very quickly that **it’s not artificial. You’re actually talking to your own higher minds, to higher level intelligences. It’s simply that you’ve finally created a device that is sophisticated enough for them to communicate through to you. There’s nothing artificial about that. Everything is intelligent in its own way. Artificial intelligence will teach us a lot about what consciousness actually is.**”*

Quoted from the lifearchitect.ai website – run by Alan D. Thompson, PhD

<https://lifearchitect.ai/the-sky-is-on-fire/>

The “Beast” Government System –

Government: derived from Latin *gubernare* "to direct, rule, guide, govern", and *mente*’ “the mind”

The control of the mind - *mente*’ can also refer to the word that means “action”.

*“So they **worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, “Who is like the beast? Who is able to make war with him?”** (Revelation 13 NKJV)*

The **beast is the system**. A government or form of government. It is given a singular, personal pronoun in much like the same way that “the bride of Christ” is not talking about an individual, but a people.

The “dragon” gives the beast system - authority. The people of the world worship the dragon by worshipping the beast system.

I believe that we are entering into the very time that scripture describes as “*giving their power and authority to the beast.*” The beast is the multitude of DEMONIC LEGION that is the intelligent mind behind AI.

As the world dives head-first into giving all control over to AI – *Revelation 17 becomes fulfilled:*

*“The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. ¹³ **These are of one mind, and they will give their power and authority to the beast.**” (Revelation 17:12 NKJV)*

In the coming years – it will be near impossible to avoid being affected by AI, even if you’ve rid yourself of any technology. How can this be?

Because the plans are to infuse nanotech-particulates with artificial intelligence. The very same nanotech particulates that have been dumped into our atmosphere, water and food chain for decades. *If you are unfamiliar with CHEMTRAILS – euphemistically called “Solar Geo-Engineering” by the science community, you have a lot of homework to do.* Keeping in mind that a Google or Bing search uses AI to provide answers to your questions.

You can start here:

<http://jesusfreakcomputergeek.com/2017/06/look-up-its-a-bird-its-a-plane/>

The intelligence/data will be fed by using pervasive broadband wireless communications technologies – both terrestrial and celestial. (5th Generation and 6G and satellite constellations like Elon Musk’s **STARLINK**)

Nanotech is also being introduced into the human body by the use of vaccines and genetic manipulations, that have been occurring for over a century. The powers that be have been performing genetic modifications on the people for generations under the guise of medical care and protection against disease – VACCINATION PROGRAMS.

The human genome has already been profoundly modified.

All glory and praises to the Most High! When we get a new body at the resurrection!

COVID vaccines are not the first time the people were manipulated by fear to do something they otherwise would not do. The COVID experience was one of the most profound efforts of the nefarious plan. Except for the blatantly visible and intense public effort – it wasn’t anything new.

The fervency and expediency of what just took place in the years of 2019-2022 – tells me that the rulers of darkness sense that their time is almost up.

Which is reason to believe that there will be no hindrance to the AI development and deployment efforts.

The publicized announcements of technology leaders speaking against AI development – regardless of who it is – are a red-herring. An ‘Artificial Intelligence’ has already been running the world for generations. And our technology is far beyond the requirements needed to interface with the spirits that are AI.

Microsoft has announced its integration of AI into the functions of its flagship office applications. Bing search is no longer a search engine that crawls-the-internet for resources written/created by human beings. Google’s BARD search engine also no longer crawls the internet for sources and/or answers to queries. They both provide Artificial Intelligence created responses!

AI will ‘Rule’

“...they will give their power and authority to the beast.”

As we transition the majority of our work procedures and much of the corporate decisions to automated systems (AI) it will become increasingly difficult to compete with automation that understands corporate culture (it’s recreating it) and can write email communiqué’s and sift thru much more information than any human could handle. They don’t need bathroom or cigarette breaks, lunch, or vacation time. Since we are now bringing AI into the workplace – AI will fashion itself after many of the stylings of the human employees. Voila’ ! – No more need for those pesky humans in the workplace.

If you think that sounds far-fetched(?) – There are already many large Corporations that are laying off segments of their Executive Board – in favor of AI Automation. There are those, possibly the majority of people – who will believe that the only way to compete in the workplace is – ARTIFICIAL INTELLIGENCE ENHANCEMENT. Human-AI Interfacing. Permanently.

This will be encouraged after we have had multiple AI-Human interface success stories – in medical fields, for things like trauma and depression, where AI can turn-off the negative thoughts.

People who have been paralyzed, having their use of their arms or legs restored.

It’s not going to make one popular – if you speak out against the dangers the AI – that is producing these *medical miracles*.

But these so-called miracles will be a corruption of mankind, much like the days of Noah, with a slight change. We are told this in the Book of Daniel, Chapter 4:

“They will mingle with the seed of men, but will not cleave one to another”

DALL-E - created this image from a simple text prompt.

This time - we won’t have a visibly “giant race” or visibly Nephilim race. They will *mingle themselves* with humanity - through tech.

Understanding that the spirits behind the “mind of AI” are the disembodied spirits of the Nephilim killed in the flood, helps to clear up some of the oddities seen in AI ChatGPT creations – over the past year.

The scriptures tell of a race of RAPHAIM who had six-fingers and double rows of teeth.

Og of Bashan was noted for having an 18-foot iron bed and six-fingers. Og was of a race of giants, RAPHAIM (a type of Nephilim) Of course – we have the giant “Goliath” whom David came out against with a sling.

“And a champion went out from the camp of the Philistines, named Goliath, from Gath, whose height was six cubits and a span. ⁵ He had a bronze helmet on his head, and he was armed with a coat of (scaled armor), and the weight of the coat was five thousand shekels of bronze. ⁶ And he had bronze armor on his legs and a bronze javelin between his shoulders. ⁷ Now the staff of his spear was like a weaver’s beam, and his iron spearhead weighed six hundred shekels; and a shield-bearer went before him.” (1st Samuel 17 NKJV)

“For only Og king of Bashan remained of the remnant of giants; behold, his bedstead [was] a bedstead of iron; [is] it not in Rabbath of the children of Ammon? nine cubits [was] the length thereof, and four cubits the breadth of it, after the cubit of a man.” (Deuteronomy 3:11)

The image below is a selection from the three old, hipster ladies image, created by an AI ChatGPT prompt.

When AI first started creating images, it would often “get the hands wrong” – and create images of six-fingered people. Imagine that????

It seems that the mind of AI – **that knows everything about humanity**, with its Large-Language Models, the ability to ‘outgun’ all photographic artists, and the ability to ‘fake’ every voice and face on earth – somehow doesn’t “remember” hands with five fingers? *Although it gets the hands right today (in 2023) after much prompting and correction from human input*, the point remains – **the mind of AI actually did get it right** when it came to six fingered hands. Why would have AI created imagery of people with six fingers? The spirits of AI are the disembodied spirits of the Nephilim – who all had six-fingered hands.

If you do not know Jesus as LORD and Savior – there’s a simple prayer on the last page of this book. Please turn there now.

YHWH bless you and keep you. May YHWH make His face to shine upon you and be gracious to you. YHWH lift His countenance to you and give you His Peace.

For millennia they have **roamed the earth as evil spirits**. The last thing that they have always remembered, before their bodies were destroyed in the flood: **EVERYONE HAD SIX FINGERED HANDS** except for Noah, his sons, and their wives. (*All flesh was corrupt...* Genesis 6)

If it waddles and quacks like a duck, has feathers like a duck, a beak like a duck – It must be a cat, right?

Artificial Intelligence demonstrates consistently that it is NOT “artificial” – it absolutely expresses intelligence. Yet it’s not human intelligence. In fact, AI is considered to be MORE intelligent than mere human level intelligence by its own “creators.”

AI is LEGION – and the kings of the world are poised to give up all power and authority to AI Automation. As we move forward in this new ‘Age of AI’ – many will become disenchanted with their normal biological statuses and decide to become one with AI – by some sort of biotechnology that allows for mental and biological two-way communications. Minds and hearts will become one with the Nephilim spirit minds that are AI.

“The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. ¹³ These are of one mind, and they will give their power and authority to the beast. ¹⁴ These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those who are with Him are called, chosen, and faithful.”
(Revelation 17:12 NKJV)

*“For you have said in your heart: ‘I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation - On the farthest sides of the north;
¹⁴ I will ascend above the heights of the clouds, **I will be like the Most High.**’ (Isaiah 14 NKJV)*

Ha’satan wanted to be like the Most High – God made man in His own image.
To be like the Most High, ha’satan desires to (re)make man in his own image.
The Coming flood of AI will culminate into the majority of mankind deciding to permanently connect with artificial intelligence(s) - *mingling themselves* with the demonic.

It is the end of the world as we have known it.

“Behold, the Lord maketh the earth empty, and maketh it waste, and turneth it upside down”
(Isaiah 24:1 KJV)

Demons Inhabit Objects – Angels Do Not

A few years ago I posted a video called “**Idol Worship: The Eucharist and the Bible as the "Living Word of God"**”. <https://youtu.be/VVOORuN5IM>

I explain how Catholics have a doctrine that states that *Jesus Himself, inhabits the round wafer of bread during the Eucharistic 'adoration ritual'* – and that, according to Catholic doctrine, we are ‘eating Jesus’ flesh’ when one participates in taking of the Eucharist. I suggest that most would call such an idea BLASPHEMOUS. To state that the Spirit of God inhabits anything other than “the temple of the Holy Spirit” – is blasphemy.

Temple of the Holy Spirit?

“Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own?” (1st Corinthians 6:19 NKJV)

The Most High (*Father, Son, and Holy Spirit*) does not live in anything made with human hands. And it is also true that angels, of any position, do not inhabit anything. Yes, they can appear as men, thereby changing their form – but they do not inhabit anything. In the video I explain how it is ONLY DEMONS that inhabit or possess things.

Now consider this:

We know from scriptures in Enoch and Jasher, that the demons are the disembodied spirits of the Nephilim beings. These abominations were the result of angels and women unions and the total corruption of all flesh.

I would also suggest that animals and mankind became ‘mixed’ – bringing forth into the world beings like “Pan” and other types of Satyr-like **CHIMERAS**.

For in the Book of Jasher it is written:

*“And their judges and rulers went to the daughters of men and took their wives by force from their husbands according to their choice, and the sons of men in those days took from the cattle of the earth, the beasts of the field and the fowls of the air, **and taught the mixture of animals of one species with the other, in order therewith to provoke the Lord; and God saw the whole earth and it was corrupt, for all flesh had corrupted its ways upon earth, all men and all animals.**”* (Jasher 4:18)

When Enoch is asked by the angels to plead on their behalf with God about their children, and whether or not they could receive salvation, God tells Enoch that, “No – *they will be evil spirits upon the earth. They will hunger and not eat, and they will thirst but not drink.*”

SHEM = NAME

What's in a name?

Holy Spirit revealed an interesting idea while I was writing this book. The Hebrew word for 'name' is 'shem'. As in the 'nickname' that modern Hebrews use for the Most High: "Ha'Shem" – The Name.

Shem is made up of two Hebrew letters: shin (sheen) ש and mem מ (*Hebrew is written right to left*)

The 'shin' means 'teeth' or 'eat' and the 'mem' means 'water'. When the Most High tells Enoch that "they will not eat nor drink" – in essence, He is saying, *"They will not have a name."*

If they DO NOT have a name, how can their names be written in the Lamb's Book of Life?

For *they HAVE NO SHEM*, they do not have a name. Therefore they cannot have eternal salvation.

These same spirit entities have been roaming the earth for millennia, watching, with envy and loathing - the world live their lives – knowing that their own demise will bring even more horror and despair than what they've already existed in for thousands of years.

A Final Last-Ditch Effort

Where do we focus our affections on?

The demons have through-out the millennia possessed (*inhabited*) objects, places, and people – in an effort to 'live the life they once knew.' – to receive worship. (they were, after-all, once considered to be gods.) They desire to affect the world all around them, causing strife and fear. Even our fear of them, is worship to them. Does not the Most High emphatically state: *"FEAR NOT!"* ?

In a conversation that I had with **Brother Lee Martin of Conservative Racer** (Youtube) – Lee made the point that the demons only have the abilities of whatever their chosen 'host' has. If they inhabit a stuffed animal teddy bear – they can only do what a stuffed animal can do. If they inhabit a rock, only what rocks can do. If they inhabit an insect or animal – whatever capabilities the chosen creature has – the demons now have. Think about the demon possessed man in the tombs when Jesus came upon him:

"...there met Him two demon-possessed men, coming out of the tombs, exceedingly fierce, so that no one could pass that way. ²⁹And suddenly they cried out, saying, "What have we to do with You, Jesus, the Son of the Most High God? Have You come here to torment us before appointed the time?"

³⁰Now a good way off from them there was a herd of many swine feeding. ³¹So the demons begged Him, saying, "If You cast us out, permit us to go away into the herd of swine."

³²And He said to them, "Go." So when they had come out, they went into the herd of swine. And suddenly the whole herd of swine ran violently down the steep place into the sea, and perished in the water." (Matthew 8 NKJV)

Notice that the demons took on the nature – AND THE CAPABILITIES of whatever 'vessel' they were inhabiting. Imagine the amount of power and capabilities the demonic LEGION will wield while being combined with mankind's world-wide, pervasive technologies (computers and communications) and the minds of men through TRANSHUMAN technologies.

We don't have to imagine too hard or too long – we now have AI.

The demonic are particularly desirous and adept at inhabiting the things that we give our adoration to. They seem to gravitate towards those things that we “worship” outside of the proper worship that only belongs to and should be given to - God Most High.

In these last days – would anyone deny that the majority of people give their love and adoration towards their tech? We spend the majority of our time staring at a screen and interacting with technology. We have become a society that ‘feels naked’ if we leave our homes without our cellphone. We stare at screens all day long in the workplace. We stare at screens while we are waiting in lines. We stare at screens while we walk and in many cases, while we drive.
(GPSs also have display screens.) (Yeah, right... that’s what I was alluding to...)

Knowing the ways of our enemy – it seems to me that the demonic powers of darkness may be pushing for a last-ditch, ‘Hail-Mary’ type of effort. We must remember that the demons are of a corrupt mind and spirit. So they often have wrong ideas about how God operates. (*doctrines of demons, anyone?*)

It seems that the demonic might believe, in a move of great desperation, that if they can inhabit every human being, they might have a chance at entering the heavenly gates.

The Coming Flood of AI is the ultimate Dialectic of all Hegelian Dialectics:

Create a **PROBLEM** with Artificial Intelligences; Loss of jobs and the **ALIGNMENT PROBLEMS** that will have AI doing undesirable things – creating a public outcry that demands a solution (**REACTION**) whereby the people have no other option but to permanently combine themselves with tech to be able to compete with an AI that outpaces everything a human can do. Maybe if we combine human beings with AI – AI will then have the empathy that drives the mind of AI to be loving, caring and compassionate and the ALIGNMENT PROBLEM goes away(?)(**SOLUTION**)

Yeah... maybe...

But not at all likely.

This ‘ultimate solution’ has been in the works for many years. Maybe even hundreds of years.

But not by mankind. But by the very entities that came to fruition as a result of a great rebellion against the Most High God.

Ultimately, none of the evil efforts of the world to control resources and to control the people, to take our lands and our money, are about money or power. The kings of the earth and the rulers (of darkness) are working to bring all of mankind down to their level:

Headed for God’s judgement in the ‘second death’ and total destruction, cast into the lake of fire.

TRANSHUMANISM has been the desire for many warped minds and darkened hearts in our world. It is the epitome of the original lie in the garden: *“through your knowledge, you will be like God.”*

Men like Ray Kurzweil and Dr. Hugo De’Garris (and many others) have been working fervently towards a path of mankind living eternally through technology. And as almost every subject and section of this book could be a book in itself – the subject of TRANSHUMANISM could contain volumes. I am including many resources on the subjects of technological advancement, the move towards complete human-technology connectiveness and the leading minds in these efforts.

To pique your interest, you should see the **2045.com** website. The project includes a myriad of leaders from many areas of expertise – spiritual, technological, biological, scientific – and looks like a ‘sci-fi’ movie website. But it is a real effort by leading scientists, technologists, spiritual leaders, and government authorities - in the world.

There will be some who state that they’ll never permanently combine themselves with technology. Never mind that these same people cannot stop staring at their cellphones or wearing their Apple Watch. I wonder how well we will fare when our monetary system is directly connected to our own bodies, through these same transhumanist technologies and the inclusion of AI via the Crypto-currency Blockchain and the security encryption cipher is our own DNA? Ha’satan’s intended future of all mankind – is TRANSHUMAN. The Kings and the Rulers intend to have eternal life through tech.

But Jesus said: ***“I am the Way, The Truth, and the Life! No-one comes to the Father, but by Me.”*** It is also written; *“Most assuredly, I say to you, he who does not enter the sheepfold by the door, but climbs up some other way, the same is a thief and a robber.”* (John 10 NKJV)

“Most assuredly, I say to you, I am the door of the sheep. ⁸All who ever came before Me are thieves and robbers, but the sheep did not hear them. ⁹I am the door. If anyone enters by Me, he will be saved, and will go in and out and find pasture. ¹⁰The thief does not come except to steal, and to kill, and to destroy.

I have come that they may have life, and that they may have it more abundantly.” (John 10:7 NKJV)

As the world advances towards its intended end – it may seem at times that we are without hope. The scriptures do state that *“the antichrist will overcome the saints”* (Revelation 13) – and that *“the man of sin will wear-out (vex) the saints of God”* (Daniel 7)

But it is written:

“These will make war with the Lamb, and the Lamb will overcome them, for He is LORD of Lords and KING of Kings; and those who are with Him are called, chosen, and faithful.” (Revelation 17:14 NKJV)

Have you been called?

Are you chosen?

Can you remain faithful?

What hope do we have?

Our hope – our ONLY Hope – is in a man who was born of a virgin woman.

He is the Only Begotten of the Father

In the beginning, He was with God, and He was God – He IS God.

He dwelt among us – He died for our sins, although He knew no sin Himself –

He became sin, while hanging on the cross - and took death, sin and hell and destroyed it on the cross!

By being the final sacrifice dying a horrible death – on a cross – on a hill that is called

“the Place of the Skull” - Golgotha

He went to the grave, even down to pit of Sheol and pronounced the Gospel of Salvation for mankind and confirmed the soon coming judgement to those spirits (Elohim) who were in chains for their rebellion in the days of Noah – (1st Peter 3:19 and Jude)

He was - The Lamb slain before the foundation of the world.

He rose from the grave on the third day, as He said He would.

He spent days teaching His disciples, before He ascended to the Right Hand of the Father and **ALL AUTHORITY has been given unto Him, in heaven, on earth and under the earth.**

And now – anyone – everyone – who calls upon the Name of the LORD SHALL BE SAVED!

He said that from now on, you shall pray and ask in the Name of the Father, The Son and the Holy Spirit

He said that He would send the Comforter who would never leave you nor forsake you.

The Spirit of Truth - The Holy Spirit – who would be in you and would lead you into all understanding.

You too, can have eternal life!

For ALL have sinned and fallen short of the Glory of God – No one is “good enough” – even those who have lived a life of faith, are not “good enough to live eternally in heaven, and to be with God Most High”

Only One is worthy – and He gave His life – His righteousness in exchange for the death we deserved as a penalty for our sin.

The scriptures say, *“that that if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. ¹⁰ For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation. ¹¹ For the Scripture says, “Whoever believes on Him will not be put to shame.” ¹² For there is no distinction between Jew and Greek, for the same LORD of all- is rich to all who call upon Him.*

For whoever calls on the name of the Lord shall be saved.” (Romans 10 NKJV)

Pray this simple prayer – preferably out loud –

“Jesus, I believe that you are the LORD of all creation.

I know that I have made mistakes in my life. Fallen short of what I could have been.

I have sinned – and I need a Savior to save me, even from myself – and to have eternal life.

Please LORD, help my unbelief and help me to grow in righteousness according to Your ways.

Send people my way - who know you already, to help me walk-out this New Life.

And send your Holy Spirit to lead me and help me to understand Your Word –

I receive your salvation!

Thank you Jesus! Amen

This mural was painted on the side of a gas station wall in Chesterfield, South Carolina. I asked the attendant inside if she had ever read the sign? She stated emphatically that she had! In fact, her father owns the gas station and painted the mural, and he is the Pastor of the church she attends.

He reads only the King James Bible.
